FOREWORD

The American Medical Directory contains a list of the licensed medical practitioners of the United States and British North America, with dependable, verified, professional information regarding each individual, all treated impartially. The statements regarding graduation from medical schools and statements regarding licensure, have been verified by comparison, respectively, with official alumni lists from medical schools and reports from state licensing boards.

NUMBER OF PHYSICIANS AND HOSPITALS IN DIRECTORY.—There are 159,250 names in this Directory and 6,794 Hospitals. Undoubtedly owing to the war, there has been an unusually large number of changes of addresses of physicians, making this revision much more difficult than that of any previous Directory. In spite of every effort to secure present locations, there are twice as many names in the "Addresses Unknown" (Pages 1743-1774) as in any previous edition.

LEARN WHAT THE DIRECTORY CONTAINS.—This Directory contains a large amount of information, much of which will be lost to the user unless he familiarizes himself with its contents. He can do this by studying the table on page 3 and the index opposite title page.

BE FAMILIAR WITH THE SYMBOLS AND ABBREVIATIONS.—The large amount of information regarding each physician would require several times the amount of space now used were it not for the liberal use of symbols and abbreviations. The reader, therefore, should familiarize himself with the symbols and abbreviations shown in the key list on pages 6 and 7.

MEDICAL COLLEGES.—Complete information is given regarding 452 individual medical colleges, a few of which were fraudulent. The key list appears inside of the front cover, the names of the eighty-six existing medical colleges being in heavy-faced type. An alphabetical list of all colleges appears on pages 20 to 23 and full descriptions of all colleges on pages 24 to 34. Graduate medical colleges are listed on page 35, and the key list of foreign medical colleges appears on pages 35 to 37.

MEDICAL OFFICERS.—The names of officers of the Medical Corps of the Army and of the Navy will be found on pages 65 to 77, inclusive, and not in the geographical section.

HOSPITALS.—Names of hospitals are given for each state, immediately preceding the list of physicians. On pages 38 to 44 appears a list of special hospitals grouped according to character of patients treated. On pages 45 to 52 appears a tabulation giving information in regard to 610 hospitals approved for internships. There are altogether 6,794 hospitals listed as compared with 7,524 in 1918, the decrease being due to the omission of a number of hospitals having less than ten beds.

MEMBERSHIP IN SPECIAL SOCIETIES.—Attention is called to the lists of members of special societies on pages 78 to 128, inclusive. One method of estimating a physician's professional standing is to note the societies and organizations to which he belongs. The members of all recognized societies in each specialty are arranged alphabetically by states. The prominent men of each specialty, therefore, can be noted by referring to this portion of the Directory.

APPRECIATION.—To the secretaries of the various medical licensing boards of the United States and Canada; to the deans of medical colleges; to the officers of component county societies and constituent state associations; to the thousands of correspondents and others—all of whom have so cordially assisted in making possible this edition—we extend our thanks and express our appreciation.

KEY TO DIRECTORY

The directory contains an enormous amount of information of various kinds, but this fact will not be appreciated unless the reader studies the Index opposite Title Page and Contents on Page 3. To save space, symbols and abbreviations have been liberally used; it is important that the reader thoroughly familiarize himself with these, as well as with the various departments of the directory. The information is here, but much of it is available only through the use of the key.

Part III—Index of Physicians

Names of physicians are arranged alphabetically by surnames. Full names are given in place of initials whenever possible. The address which follows each name indicates the portion of the classified directory where complete information regarding the physician is given. Key to symbols used in the index:

† Refers to addenda.
‡ Indicates death. Date of death noted in addenda.
§ Address unknown.

SPECIAL EXPLANATORY NOTES

Addenda (Page 1775)

The addenda include the names of physicians received too late to classify; also corrections and deaths recorded during the printing of the directory. These names appear in the index, followed by the symbols † for addenda and ‡ for death.

Addresses Unknown (Page 1743)

It has been deemed advisable to include in this edition an alphabetical list of physicians, with data, whose present locations are unknown. These names appear in the index, followed by the symbol §.

Local Address and Office Hours

Local addresses and office hours are given in all cities of 25,000 population and over.

Number of Physicians

The number is given in cities that have one hundred (100) or more physicians; number in states, see page 8.

Pathologists, Bacteriologists, Dentists, Etc.

Pathologists, Bacteriologists, Dentists, etc., are included in this directory when they are medical graduates. If not in medical practice, no license is required.

Physicians Listed Under Two Places

When a physician lives in one town and has an office in another, all data are given in one place, only names and references in the other.

Population

Population given at the beginning of each state and after each city in the United States is obtained from the Census of 1920.

R. D. and Neighboring P. O.

Names of Cities and towns are printed according to the Official Postal Guides of the United States and Canada. The prefix Saint is abbreviated, as St. Louis. (R.D.) is given in all places receiving mail by rural delivery; (P.O.) in all places receiving mail at a neighboring postoffice. These postoffices must always be used in addressing physicians in such places.

KEY TO SPECIALTIES AND SPECIAL SOCIETIES

A SYMBOL DESIGNATING SPECIALTY IS ENTERED ON REQUEST WHENEVER THE PHYSICIAN IS A MEMBER (1) OF A CONSTITUENT STATE ASSOCIATION, (2) OF A SPECIAL SOCIETY OF WHICH THE MEMBERSHIP IS LISTED IN THE DIRECTORY, OR (3) IS A TEACHER IN A MEDICAL SCHOOL CLASSED "A" OR "B" IN THE RATING OF THE COUNCIL ON MEDICAL EDUCATION AND HOSPITALS. SPECIALTIES ARE INDICATED AS FOLLOWS:

S—Surgery.
Ob—Obstetrics.
G—Gynecology.
ObG—Obstetrics and Gynecology.
Or—Orthopedic Surgery.
Pr—Proctology.
Oph—Ophthalmology.
LR—Laryngology, Rhinology.
ALR—Otology, Laryngology, Rhinology.
OALR—Ophthalmology, Otology, Laryngology, Rhinology.
U—Urology.
D—Dermatology .
Pd—Pediatrics.
N—Neurology.
P—Psychiatry.
NP—Neurology and Psychiatry.
I★—Internal Medicine.
T—Tuberculosis.
Anes—Anesthesia.
CP—Clinical Pathology.
R—Roentgenology.
Path—Pathology.
Bact—Bacteriology.
PH★—Public Health.

WHEN THE ABBREVIATION DESIGNATING A SPECIALTY IS FOLLOWED BY AN ASTERISK (★) IT INDICATES THAT THE PHYSICIAN CLAIMS HIS PRACTICE IS LIMITED TO THAT PARTICULAR BRANCH OF MEDICINE; WITHOUT THE ASTERISK, THAT HE IS ESPECIALLY INTERESTED IN BUT DOES NOT LIMIT HIS PRACTICE TO, THAT BRANCH. THIS INFORMATION CONCERNING SPECIALTY IS BASED ON PERSONAL DATA FURNISHED BY THE PHYSICIAN AND IS NOT VERIFIABLE.

SPECIAL SOCIETIES

The special societies are grouped under headings A, B, C, D, E, F and G, pages 78-127. The membership a physician holds in these societies is indicated as follows: Doe, John; Ill.1,'97; I'98; A5, F4—43 N State St. The A5, F4 signify that Dr. Doe is a member of the American Surgical Association and the Chicago Pathological Society.

CONSTITUTION AND BY-LAWS

CONSTITUTION

Article 1.—Title and Definition

The name of this corporation is the American Medical Association; it is a federacy of its constituent associations.

Article 2.—Objects

The objects of the Association are to promote the science and art of medicine and the betterment of public health.

Article 3.—Constituent Associations

Constituent associations are those state and territorial medical associations which are, or which may hereafter be, federated to form the American Medical Association, in accordance with this Constitution and By-Laws.

Article 4.—Component Societies

Component societies are those county or district medical societies contained within the territory of and chartered by the respective constituent associations.

Article 5.—House of Delegates

Section 1. The legislative powers of the association reside in the House of Delegates. The House of Delegates shall transact all business of the Association not otherwise specifically provided for in this Constitution and By-Laws, and shall elect the general officers.

Sec. 2. COMPOSITION: The House of Delegates is composed of delegates elected by the constituent associations and by the Sections of the Scientific Assembly, and of delegates from the Medical Departments of the Army and the Navy and the Public Health Service, appointed by the Surgeon-General of the respective departments. The Trustees shall be ex-officio members of the House of Delegates, but without the right to vote.

Sec. 3. The total voting membership of the House of Delegates shall not exceed 150. The medical departments of the Army and of the Navy, and the United States Public Health Service and the scientific sections shall each be entitled to one delegate, and the remainder shall be apportioned among the Constituent Associations in proportion to their actual active membership as hereinafter provided in the By-Laws.

Article 6.—General Officers

Section 1. The general officers of the Association shall be a President, a Vice President, a Secretary, a Treasurer, a Speaker and a Vice Speaker of the House of Delegates, and nine Trustees.

Sec. 2. These officers shall be elected annually and shall serve for one year, except the Trustees, three of whom shall be elected annually, each to serve three years, or until their successors are elected and installed.

Article 7.—Trustees

The Board of Trustees shall have charge of the property and financial affairs of the Association and shall perform such duties as are prescribed by law governing directors of corporations.

Article 8.—Members and Fellows

Section 1. MEMBERS OF THE AMERICAN MEDICAL ASSOCIATION: Members in good standing of the constituent associations are the members of the American Medical Association, subject, however, to the provisions of these By-Laws regarding members.

Sec. 2.—FELLOWS OF THE SCIENTIFIC ASSEMBLY: Members in good standing of the Association who have complied with the provisions of the By-Laws regarding Fellows, are Fellows of the Scientific Assembly of the American Medical Association.

Article 9.—Scientific Assembly

Section 1. The Scientific Assembly of the American Medical Association is the convocation of its Fellows for the presentation and discussion of subjects pertaining to the science and art of medicine.

* Vice Isadore Dyer, deceased.

Sec. 2. The Scientific Assembly is divided into sections, each section representing that branch of medicine described in its title.

Sec. 3. New sections may be created or existing sections discontinued by the House of Delegates. The Scientific Assembly and its sections shall be conducted in accordance with the rules and regulations set forth in this Constitution and By-Laws.

Article 10.—Annual Sessions

The House of Delegates and the Scientific Assembly shall meet annually at times and places to be fixed by the House of Delegates. The time and place of any of these sessions may, however, be changed by the unanimous action of the Board of Trustees at any time prior to two months of the time selected for that session. A session may be held at any place in the United States.

Article 11.—Funds

Funds may be raised by an equal assessment of not more than ten dollars anually on each of the members; from the Association's publications, and in any other manner approved by the Board of Trustees. Funds may be appropriated by the Board of Trustees to defray the expenses of the Association; to carry on its publications; to encourage scientific investigations and for any other purpose approved by the Board of Trustees.

Article 12.—Amendments

The House of Delegates may amend this Constitution at any annual session, provided the proposed amendment shall have been introduced at the preceding annual session, and provided three fourths of the voting members of the House of Delegates registered at the session at which action is taken vote in favor of such change or amendment.

BY-LAWS

BUSINESS AND LEGISLATION

Chapter I.—Qualifications, Term, Apportionment and Registration of Delegates

Section 1. DELEGATES MUST HAVE BEEN FELLOWS OF THE AMERICAN MEDICAL ASSOCIATION TWO YEARS: A member of the House of Delegates must have been a member of the American Medical Association and a Fellow of the Scientific Assembly for at least two years next preceding the session of the House of Delegates at which he is to serve.

Sec. 2. TERM: Delegates and alternates from constituent associations shall be elected for two years. Constituent associations entitled to more than one representative shall elect them so that one-half, as near as may be, shall be elected each year. Delegates and alternates elected by the sections, or delegates appointed from the United States Army, United States Navy and United States Public Health Service shall hold office for one year.

Sec. 3. APPORTIONMENT OF DELEGATES: At the annual session of 1903, and every third year thereafter, the House of Delegates shall appoint a committee of five on reapportionment, of which the Speaker and the Secretary shall be members. The committee shall apportion the delegates among the constituent associations in accordance with Article 5, Section 3, of the Constitution, and in proportion to the membership of each constituent association as recorded in the office of the Secretary of the American Medical Association on April 1 of the year in which the apportionment is made. This apportionment shall take effect at the next succeeding annual session, and shall prevail until the next triennial apportionment, whether the membership of the constituent association shall increase or decrease.

Sec. 4. REGISTRATION OF DELEGATES: Each delegate representing a constituent association, before being seated, shall deposit with the committee on credentials a certificate signed by the Secretary and under the seal of the constituent association stating that he has been regularly elected a delegate by that constituent association. Each delegate from a section shall present similar credentials signed by the chairman and the secretary of the section which he represents. Each delegate from a government service shall present credentials stating he has been duly appointed by the Surgeon-General of the department which he represents.

Sec. 5. A DELEGATE, ONCE SEATED, TO RETAIN HIS SEAT FOR THE ENTIRE SESSION: A delegate whose credentials have been accepted by the committee on credentials and whose name has been placed on the roll of the House, shall remain a delegate of the body which he represents until final adjournment of the session, and his place shall not be taken by any other delegate or alternate.

Chapter II.—Procedure of House of Delegates

Section 1. ORDER OF BUSINESS: The following shall be the order of business, unless otherwise ordered:

1. Call to order by the Speaker.
2. Roll call.
3. Reading and adopting the minutes.
4. Reports of officers.
5. Reports of committees.
6. Unfinished business.
7. New business.

Sec. 2. LIMIT OF TIME FOR INTRODUCTION OF NEW BUSINESS: Unanimous consent shall be required for the introduction of new business at the last meeting of the annual session of the House of Delegates, except when presented by the Board of Trustees, the officers of the sections, or the sections. All new business so presented shall require three-fourths affirmative vote for adoption.

Sec. 3. RULES OF ORDER: The House of Delegates shall be governed by Robert's Rule of Order when not in conflict with these By-Laws or with the rules of the House.

Sec. 4. Quorum: Twenty voting members of the House of Delegates shall constitute a quorum.

Chapter III.—Meetings of the House of Delegates

Section 1. REGULAR SESSIONS: The House of Delegates shall meet annually on the Monday preceding the opening of, and at the same place as, the Scientific Assembly of the Association.

Sec. 2. SPECIAL SESSIONS: Special sessions of the House of Delegates shall be called by the Speaker on written request of twenty-seven or more delegates, representing a majority of the constituent associations. When a special session is thus called, the Secretary shall mail a notice to the last known address of each member of the last House of Delegates at least twenty days before such special session is to be held, in which notice shall be specified the time and place of meeting and the items of business to be considered. No other business shall be transacted at the special session than that specified in the call.

Chapter IV.—Nomination and Election of Officers, Associate and Honorary Fellows, Installation of Officers

Section 1. NOMINATIONS: Nominations for office shall be made orally, but a nominating speech must not exceed two minutes. The Treasurer shall be nominated by the Board of Trustees. No member of the House of Delegates nor general officer of the Association shall be eligible to the office of President or Vice President.

Sec. 2. QUALIFICATIONS OF GENERAL OFFICERS: The General Officers must have been members of the Association and Fellows of the Scientific Assembly for at least two years next preceding their election. The Speaker and Vice Speaker of the House may but need not be elected from among the members of the House.

Sec. 3. METHOD OF HOLDING ELECTIONS: All elections shall be by ballot, and a majority of the votes cast shall be necessary to elect. In case no nominee receives a majority of the votes on the first ballot, the nominee receiving the lowest number of votes shall be dropped and a new ballot taken. This procedure shall be continued until one of the nominees receives a majority of all the votes cast, when he shall be declared elected. However, when there is only one nominee for an office, a majority vote without ballot shall elect.

Sec. 4. TIME OF ELECTION: The election of officers shall be the first order of business of the House of Delegates after the reading of the minutes on the afternoon of the fourth day of the Annual Session of the House of Delegates (Thursday), provided, however, that the House of Delegates may change the time of election by action taken at least one day in advance of that to which the election is to be changed, and provided further that the motion to change the time of election shall be supported by two-thirds of the delegates registered.

The election of Affiliate, Associate and Honorary Fellows shall immediately follow the election of officers. Not more than three Honorary Fellows shall be elected at any annual session except on special recommendation of the Council on Scientific Assembly and the unanimous vote of the House.

Sec. 5. ASSOCIATE FELLOWS: Applications for Associate Fellowship from foreign physicians must be approved by the Judicial Council; applications from dentists must be approved by the Section on Stomatology, from pharmacists by the Section on Pharmacology and Therapeutics, and from representative teachers and students of science allied to medicine by the officers of a section.

Sec. 6. AFFILIATE AND HONORARY FELLOWS: Nominations for Affiliate Fellowship shall be made by the constituent association of which the nominee is a member, and nominations for Honorary Fellowship shall be made by the sections, and must be submitted to the House of Delegates not later than the second day of the Scientific Assembly. These nominations shall be referred without debate to the Council on Scientific Assembly, which shall consider the scientific attainments and professional character of the applicants and report to the House of Delegates..

Sec. 7. INSTALLATION: The general officers of the Association, except the President, shall assume their duties at the close of the last meeting of the annual session at which they are elected.

Sec. 8. INSTALLATION OF THE PRESIDENT: The President shall be installed at the opening general meeting of the Scientific Assembly of the annual session following that at which he was elected.

Chapter V.—Duties of Officers

Section 1. PRESIDENT: The President shall preside at the general meetings of the Scientific Assembly. At the opening general meeting of the Scientific Assembly next following his election he shall deliver an address on such matters as he may deem of importance to the public and to the medical profession. He may attend the meetings of and make suggestions to the House of Delegates or the Board of Trustees With the approval of the Board of Trustees he is authorized to appoint committees for emergencies not otherwise provided for. He shall nominate members of standing committees for election by the House of Delegates.

Sec. 2. VICE PRESIDENT: The Vice President shall officiate for the President during the latter's absence, or at his request. In case of death, resignation or removal of the President, the Vice President shall officiate during the unexpired term.

Sec. 3. SPEAKER: The Speaker shall preside at the meetings of the House of Delegates and shall perform such duties as

custom and parliamentary usage require. He shall have the right to vote only when his vote shall be the deciding vote.

Sec. 4. VICE SPEAKER. The Vice Speaker shall officiate for the Speaker in the latter's absence or at his request. In case of death, resignation, or removal of the Speaker, the Vice Speaker shall officiate during the unexpired term.

Sec. 5. SECRETARY: The Secretary, in addition to the duties ordinarily devolving on the secretary of a corporation and those delegated in other sections of these By-Laws, shall give due notice of the time and place of annual and special sessions of the House of Delegates and of the Scientific Assembly in The Journal of the American Medical Association. He shall send an official notice of each annual or special session to the secretary of each constituent association and to the secretary of each section. He shall keep the minutes of the House of Delegates. He shall notify members of committees of their appointment and of the duties assigned them. He shall verify the credentials of the members of the House of Delegates and shall provide a registration book in which shall be recorded the name of each delegate in attendance at each session, together with that of the constituent association, government service or section which he represents. He shall prepare for publication the official programs for the Scientific Assembly, and shall perform such other duties as may be directed by the House of Delegates, or the Board of Trustees.

Sec. 6. TREASURER: The Treasurer shall be the custodian of all moneys, securities and deeds belonging to the Association which may come into his possession, and shall hold the same subject to the direction and disposition of the Board of Trustees. He shall give to the Board of Trustees a suitable bond for the faithful performance of his trust, and shall receive for his service a salary to be fixed by the Board of Trustees.

Sec. 7. OFFICERS TO COMPLETE BUSINESS OF SESSION: All business of each annual session shall be completed by the officers (including section officers) who have served during the session.

Chapter VI.—Board of Trustees

Section 1. BOARD OF TRUSTEES: The Trustees at their first meeting after the annual session of the House of Delegates, shall organize by electing a chairman and a secretary, and the chairman shall appoint such committees as may be created by the Board. It shall be the duty of this Board to provide for and to superintend the publication of The Journal of the American Medical Association, and of all proceedings, transactions and memoirs of the Association. It shall have full discretionary power to omit from The Journal in part or in whole, any paper that may be referred to it by any of the sections. It shall apoint a general manager and an editor of The Journal, which two positions may be held by one person, and such assistants as may be necessary, and shall determine their salaries and the terms and conditions of their employment. All resolutions or recommendations of the House of Delegates pertaining to the expenditure of money must be approved by the Board of Trustees before the same shall become effective. During the annual session of the Association the Board shall hold meetings as often as may be deemed necessary by the chairman, and all matters referred to it by the House of Delegates shall be reported on within twenty-four hours, if so requested by the House. The Board of Trustees shall have the accounts of the Treasurer and of The Journal office audited annually or oftener, if deemed necessary, and shall make an annual report to the House of Delegates, which report among other items shall specify the character and cost of all the publications of the Association during the year and the amount of all property belonging to the Association. Should a vacancy occur, on account of death or otherwise, among the general officers of the Association, the Board of Trustees may fill such vacancy until the next annual session of the House, unless otherwise provided for in this Constitution and By-Laws. The Board of Trustees shall fix the salary of the Secretary and of the Treasurer. Regular meetings of the Board shall be held immediately after the annual session of the House of Delegates, and on the first Friday in the month of February of each year. Special meetings of the Board may be called at any time by the chairman, or by five members of the Board, by mailing a written or printed notice to the last known address of each trustee, at least five days before such meeting is to be held, in which notice shall be specified, in general terms, the object of such special meeting, and no other business shall be transacted thereat; provided, that the proceedings of any meeting of the Board at which all the members are present or which are approved in writing by every member of the Board shall be valid without previous notice having been given. Five members of the Board shall constitute a quorum. During the intervals between the sessions of the House of Delegates the Board of Trustees shall supervise the action of committees constituted by the action of the House and may appoint emergency committees.

Sec. 2. TRUSTEES TO CONTROL SESSION: The Board of Trustees shall have full control of all arrangements for the annual sessions and shall provide meeting places for the House of Delegates, the general meetings and the scientific sections. It shall also have control of all exhibits. It may appoint a local committee of arrangements, which shall be at all times under the Board.

Chapter VII.—Committees

Section 1. CLASSIFICATION OF COMMITTEES: Committees shall be classified as (a) Standing Committees, (b) Reference Committees, and (c) Special Committees. The standing committees shall be nominated by the President and elected by the House of Delegates, unless otherwise provided for. Reference and special committees shall be appointed by the Speaker as provided in these By-Laws. Special committees may be created by the House of Delegates to perform the special functions for which they are created; they shall be appointed by the Speaker unless otherwise ordered by the House. Committees acting during the interval between the sessions of the House of Delegates shall be subject to the Board of Trustees. In case of vacancies in committees occurring during the interval between annual sessions, the President or the Speaker, according to the committee on which said vacancies occur, shall have the power to appoint Fellows to fill the vacancies until the next annual session.

Sec. 2. MEMBERSHIP OF COMMITTEES: Any Fellows shall be eligible to serve on standing or special committees. Reference committees shall be appointed from the members of the House of Delegates. Members of committees not members of the House of Delegates shall have the right to present their reports in person to the House and to participate in the debate thereon, but shall not have the right to vote. The House of Delegates may recall the election of any officer or the appointment of any member of a committee or Council at any session by a two-thirds vote of the members of the House of Delegates present and voting, provided that no motion for recall shall be acted on till the day following that on which it is introduced.

Sec. 3. STANDING COMMITTEES: Standing committees shall be the following:

(a) Judicial Council.

(b) Council on Health and Public Instruction.

(c) Council on Medical Education and Hospitals.

(d) Council on Scientific Assembly.

Chapter VIII.—Organization of Standing Committees or Councils

Section 1. MEMBERSHIP: The Standing Committees, or Councils, shall consist of five members, each elected for five years. The term of office of the members of each committee shall terminate in succession, one each year, and the House of Delegates shall elect annually, on nomination by the President, one member to each committee to fill the vacancy. The members of the Council on Scientific Assembly shall be chosen, as far as practical, from ex-section officers representing different sections, the President-Elect, the Secretary of the Association and the Editor of The Journal shall be ex-officio members of this Council.

Sec. 2. OFFICERS: The Councils shall organize and elect their own officers except that the Secretary of the Association shall be the Secretary of the Judicial Council, and of the Council on Scientific Assembly and that on nomination by the respective Council, the Board of Trustees shall elect annually, to serve one year, a secretary of the Council on Health and Public Instruction and of the Council on Medical Education and Hospitals, and shall fix the salary of each.

Sec. 3. EXPENDITURES: Each Council shall submit to the Board of Trustees a budget of its expenses for the fiscal year, and the Board shall make such appropriation for each Council as it may see fit. Each Council shall be limited in its expenditures to the appropriation made for it by the Board of Trustees and no Council shall expend or contract to expend any money in excess of its appropriation without the consent and approval in writing of the Board of Trustees.

Sec. 4. RULES AND REGULATIONS: Each Council may make its own rules to govern its action; such rules shall not conflict with these By-Laws nor with standing rules or resolutions of the House of Delegates.

Sec. 5. COMMITTEES: Each Council shall have authority to appoint committees subject to the approval of the Board of Trustees for any purpose within the jurisdiction of the Council.

Sec. 6. HEADQUARTERS: The headquarters of each Council shall be at the general office of the Association where the transactions of the Council shall be recorded.

Sec. 7. REPORTS: Each Council shall submit annually a report of its work to the House of Delegates. All such reports, so far as possible, shall be transmitted thirty days before the annual session to the Secretary of the Association, who shall have them printed for distribution to the members of the House of Delegates.

Chapter IX.—Duties of Standing Committees or Councils

Section 1. THE JUDICIAL COUNCIL: The judicial power of the Association shall be vested in the Judicial Council, whose decision shall be final. This power shall extend to and include (1) all controversies arising under this Constitution and By-Laws to which the American Medical Association is a party; and (2) controversies (a) between two or more recognized constituent associations, (b) between a constituent association and a component society or societies of another constituent association or associations or a member or members of another constituent association or other constituent association, and (c) between members of different constituent associations. In all these cases the Judicial Council shall have original jurisdiction.

In all cases which arise (a) between a constituent association and one or more of its component societies; (b) between component societies of the same constituent association; (c) between a member or members and the component society to which said member or members belong, or (d) between members of different component societies of the same constituent association, the Judicial Council shall have appellate jurisdiction in questions of law and procedure but not of fact.

The Judicial Council may, at its discretion, investigate general professional conditions and all matters pertaining to the relations of physicians to one another and to the public, and may make such recommendations to the House of Delegates or the constituent associations as it deems necessary.

Sec. 2. COUNCIL ON HEALTH AND PUBLIC INSTRUCTION: The functions of the Council on Health and Public Instruction shall embrace the following subjects: (1) Legislation. (2) Public Instruction. (3) Defense of Medical Research. (4) Public Health.

Sec. 3. COUNCIL ON MEDICAL EDUCATION AND HOSPITALS: The functions of the Council on Medical Education and Hospitals shall be: (1) To investigate conditions of Medical Education, Hospitals and associated subjects and to suggest means and methods by which the same may be improved. (2) To endeavor to further the realization of such suggestions as may be approved by the House of Delegates.

Sec. 4. COUNCIL ON SCIENTIFIC ASSEMBLY: The function of the Council on Scientific Assembly shall be: (1) To secure cooperation between the sections. (2) To pass upon questions of policy in relation to section work. (3) To stimulate the development of the sections. (4) To consider at first hand applications for new sections, or for changes in existing sections, and to report to the House of Delegates. (5) To appoint officers for meetings making up the section on miscellaneous topics. (6) To arrange the programs for the general meetings of the Scientific Assembly.

Chapter X.—Reference Committees

Section 1. APPOINTMENT: Immediately after the organization of the House of Delegates at each annual session the Speaker of the House of Delegates shall appoint from the members of the House such committees as may be deemed expedient by the House of Delegates. Each committee shall consist of five members, unless otherwise provided, the chairman to be specified by the Speaker. These committees shall serve during the session at which they are appointed.

Sec. 2. REFERENCES: Resolutions, measures and propositions presented to the House of Delegates shall be referred to the appropriate committee which committee shall report to the House before final action shall be taken, unless otherwise unanimously ordered by the House of Delegates.

Sec. 3. ORGANIZATION: Each Reference Committee shall, as soon as possible after the adjournment of each meeting, or during the meeting, if necessary, take up and consider such business as may have been referred to it, and shall report on the same at the next meeting or when called on to do so. Three members shall constitute a quorum.

Sec. 4. COMMITTEES: The following committees are hereby provided:

(1) A Committee on Sections and Section Work, to which shall be referred all matters relating to the sections and the section work. (The members of the Council on Scientific Assembly shall be members, ex officio, of this committee.)

(2) A Committee on Rules and Order of Business, to which shall be referred all matters regarding rules governing the action, methods of procedure and order of business of the House of Delegates.

(3) A Committee on Medical Education, to which shall be referred all matters relating to medical colleges and medical education. (The members of the Council on Medical Education and Hospitals shall be members, ex officio, of this committee.)

(4) A Committee on Legislation and Public Relations to which shall be referred all matters relating to state and national legislation memorials to Legislatures, to the United States Congress, or to the President of the United States. (The members of the Council on Health and Public Instruction shall be members, ex officio, of this committee.)

(5) A Committee on Hygiene and Public Health, to which shall be referred all matters relating to hygiene and public health.

(6) A Committee on Amendments to the Constitution and By-Laws, to which shall be referred all proposed amendments to the Constitution and By-Laws. (The members of the Judicial Council shall be members, ex officio, of this committee.)

(7) A Committee on Reports of Officers, to which shall be referred the address of the President and of the Speaker of the House of Delegates and the reports of the Secretary and of the Board of Trustees.

(8) A Committee on Credentials, to which shall be referred all questions regarding the registration and the credentials of delegates.

(9) A Committee on Miscellaneous Business, to which shall be referred all business not otherwise disposed of.

SCIENTIFIC ASSEMBLY

Membership and Fellowship

Chapter XI.—Membership and Fellowship

Section 1. TENURE OF MEMBERSHIP.—Membership in this Association shall continue only so long as the individual is a member of a constituent association. When the Secretary shall be officially informed by the secretary of the constituent association through which a member holds membership in this Association that the member is not in good standing, the Secretary shall remove the name of said member from the membership roll of the American Medical Association. A member of a constituent association who removes to and engages in the practice of medicine at a location in another state in which there is a constituent association, shall forfeit his membership in this Association and the Secretary shall remove his name from the roster of members of the American Medical Association unless within one year after such change of residence he become a member of the constituent association in the state to which he has moved; provided that when the member is also a Fellow of the Scientific Assembly the By-Law defining the effect on Fellowship of removal to another state shall have precedence over this section.

Sec. 2. FELLOWS: Any member of this Association, who on the prescribed form shall apply for Fellowship and subscribe for The Journal, paying the annual Fellowship dues for the current year, shall be a Fellow.

Commissioned medical officers of the United States Army, United States Navy and the United States Public Health Service shall be Fellows of this Association so long as they are engaged actively in their respective service, and thereafter if they have been retired on account of age or physical disability. These Fellows shall not be required to pay Fellowship dues and shall not receive The Journal of the American Medical Association except by personal subscription.

Sec. 3. EFFECT ON FELLOWSHIP OF REMOVAL TO ANOTHER STATE: A Fellow who changes the location at which he practices medicine, from the state through whose constituent association he holds membership in the American Medical Association to another state in which there is a constituent association, is eligible to membership in the component society of his new location on the presentation of a transfer card and an official statement that his dues have been paid in full in the society in which he holds membership. He shall forfeit his Fellowship in the American Medical Association one year after such change of location, unless he becomes a member of the constituent association of the state to which he has moved. Provided, however, that if the component society into whose territory such Fellow has moved shall refuse him membership, the Fellow shall be privileged to appeal to the Judicial Council of this Association to determine whether or not he be guilty of any act that warrants the enforcement of the provisions of this section. Pending the decision of such appeal he shall retain his Fellowship in the American Medical Association through his original state association. A member of a constituent state association who is located for the purpose of practicing medicine in a state adjacent to that through the association of which he holds Fellowship in the American Medical Association may become and may be continued a Fellow of the American Medical Association provided the Council of the constituent association of the state in which he is practicing medicine waives jurisdiction over his membership.

Sec. 4. AFFILIATE, ASSOCIATE AND HONORARY FELLOWS: There shall be Affiliate, Associate and Honorary Fellows, who shall be elected and shall qualify in accordance with the provisions set forth in these By-Laws.

Sec. 5. AFFILIATE FELLOWS: A Fellow who has been a Fellow for a continuous term of fifteen (15) years, who is not less than sixty-five (65) years of age, and who is an honorary member of his component society and of his constituent association, or is connected with these organizations in an equivalent manner whereby he is relieved from the payment of dues or fees, on request of his constituent association may be made an Affiliate Fellow by a majority vote of the House of Delegates of this Association. Affiliate Fellows shall be privileged to participate in the Scientific Assembly of the Association; they shall not be required to pay Fellowship dues and shall not receive The Journal of the American Medical Association except by personal subscription. Affiliate Fellowship shall be conditioned on such an Affiliate Fellow continuing the relationship with his constituent association herein defined.

Sec. 7. ASSOCIATE FELLOWS: The following may be elected in accordance with Section 5, Chapter IV, to Associate Fellowship: Physicians who are members of the chartered national medical societies of foreign countries adjacent to the United States; dentists holding the degree of D.D.S. who are members of state or local dental societies, and pharmacists who are active members of the American Pharmaceutical Association; and representative teachers, students of science allied to medicine, resident in the United States, and not eligible to regular membership. Associate Fellows shall enjoy the same privileges as regular Fellows, and shall be subject to the same conditions.

Sec. 8. HONORARY FELLOWS: Physicians of foreign countries may be elected Honorary Fellows by the House of Delegates in accordance with Section 6, Chapter IV.

Sec. 9. INVITED GUESTS: Scientists resident in the United States who are not engaged in the practice of medicine, and eminent physicians and scientists from foreign countries, may be invited by the general officers or by the officers of a section, to attend an annual session of the Scientific Assembly and participate in the scientific work and social functions. They shall be designated as Invited Guests.

Sec. 10. TENURE OF FELLOWSHIP: Fellowship in this Association shall continue only so long as the individual is a member. When the Secretary shall be officially informed that the Fellow is not a member, the Secretary shall remove the name of such Fellow from the Fellowship roll of the American Medical Association and shall notify the Fellow of the action taken, together with the reason therefor. Fellowship shall be further conditioned on a Fellow conducting himself in accordance with this Constitution and By-Laws, and Principles of Medical Ethics of this Association.

Sec. 11. DELINQUENCY: Any Fellow who, for one year, has failed to pay his annual Fellowship dues, shall forfeit his Fellowship thirty days after notice of his delinquency has been mailed to his last known address by the Secretary.

Sec. 12. FELLOWSHIP RESTORED: Any former Fellow who complies with Section 2, Chapter XI, shall be reinstated on payment of his indebtedness, including his subscription for the current calendar year.

Chapter XII.—Registration

Fellows, Affiliate, Associate and Honorary Fellows and Invited Guests only shall be allowed to register or take part in the work of any of the sections of the Scientific Assembly of the Association.

A Fellow shall be eligible to register at an annual session only after he has paid all of his current indebtedness.

A Fellow shall not be permitted to take part in the proceedings of the Association or of any of the sections until he has registered his name and address in the registration office.

A Fellow on registering shall designate the section in which he wishes to be enrolled, but shall be enrolled in one section only at any Scientific Assembly.

Chapter XIII.—General Meetings

Section 1. GENERAL MEETINGS: General meetings of the Scientific Assembly may be arranged by the Council on Scientific Assembly with the approval of the Board of Trustees.

Sec. 2. THE OPENING GENERAL MEETING: The opening general meeting shall be held on the evening of Tuesday of the week of the annual session, and shall be presided over by the President or, in his absence or at his request, by the Vice President.

Sec. 3. PRESIDENT'S ADDRESS: The President, immediately after he is inducted into office, shall deliver an address before the opening general meeting, and his recommendations, if he makes any, shall go to the House of Delegates for action.

Chapter XIV.—Sections

Section 1. TITLES OF SECTIONS OF SCIENTIFIC ASSEMBLY: The Scientific Assembly shall be divided into the following sections:

1. Practice of Medicine.
2. Surgery, General and Abdominal.
3. Obstetrics, Gynecology and Abdominal Surgery.
4. Ophthalmology.
5. Laryngology, Otology and Rhinology.
6. Diseases of Children.
7. Pharmacology and Therapeutics.
8. Pathology and Physiology.
9. Stomatology.
10. Nervous and Mental Diseases.
11. Dermatology and Syphilology.
12. Preventive Medicine and Public Health.
13. Urology.
14. Orthopedic Surgery.
15. Gastro-Enterology and Proctology.
16. Miscellaneous Topics.

Sec. 2. OFFICERS OF SECTIONS: The officers of each section shall consist of a chairman, a vice chairman and a secretary and such other officers as the section shall deem advisable. These shall serve for one year, or until their successors are elected and qualified; provided, that each section may elect its secretary to serve a longer time at its discretion. Each section shall also elect annually one delegate and one alternate to the House of Delegates of the American Medical Association to serve one year.

Sec. 3. ELECTION OF OFFICERS: The election of officers of the several sections shall be the first order of business of the final meeting of the section at each Scientific Assembly. To participate in the election a Fellow must have indicated on registering that he desires to affiliate with such section, and must have recorded his name and address on the section register book.

Sec. 4. DUTIES OF SECTION OFFICERS: (a) Chairman: The chairman shall preside at the meetings of the section and shall perform such duties as usually belong to such an office, or as may be provided by the by-laws of the section. He shall cooperate with the secretary in arranging the program, and shall see that proper arrangements are made for his section at the Scientific Assembly.

(b) Vice Chairman: The vice chairman shall assist the chairman in the performance of his duties and shall preside in his absence, or at his request.

(c) Secretary: The secretary shall keep a record of the proceedings of the section in a book provided for such purpose; shall, with the cooperation of the chairman, and in accordance with rules and regulations enacted by the House of Delegates, arrange the program; and shall, at least thirty days before the Scientific Assembly, forward it to the Secretary of the Association for insertion in the official program; and shall perform such other duties pertaining to his office as may be provided by the by-laws of the Association or of the section.

Sec. 5. EXECUTIVE COMMITTEE: Each section shall have an executive committee, which shall consist of the chairman and the last two retiring chairmen. In case of absence of a member of the executive committee of a section from a Scientific Assembly, the vacancy shall be filled by the chairman of the section. This committee shall examine and pass on all papers read before the section, and shall endorse for publication only those that are of scientific or of practical value, and which will reflect credit on the section before which they were read. It shall act as the nominating committee of the section.

Sec. 6. MEETINGS: Sections shall hold meetings at 9 a. m. and 2 p. m. daily in accordance with the program for the Scientific Assembly, as arranged by the Council on Scientific Assembly.

Sec. 7. WHO MAY TAKE PART IN SECTION WORK: Fellows and Associate Fellows only shall have the right to participate in the business deliberations of a section. Fellows, Affiliate, Associate, and Honorary Fellows, and Invited Guests may present papers and take part in the scientific discussions.

Sec. 8. ASSOCIATE FELLOWS: The officers of a section may nominate for Associate Fellowship representative teachers and students of sciences allied to medicine, resident in the United States, not eligible to regular membership. The secretary shall immediately notify the Secretary of the Association of such nominations.

Sec. 9. HONORARY FELLOWS: Each section at each Scientific Assembly may nominate for Honorary Fellowship in the American Medical Association a physician of a foreign country who has risen to preeminence in the profession of medicine; provided, however, that nominations for Honorary Fellowship in the American Medical Association shall be acted on by the sections on or before the second day of each Scientific Assembly. The secretary of the section shall immediately notify the Secretary of the Association of such nomination.

Sec. 10. TIME AT WHICH TITLES MUST BE IN: Titles of papers to be presented to the section must be in the hands of the secretary of the section at least thirty-five days before the first day of the Scientific Assembly. With the title, the writer shall submit an abstract of the paper no less than thirty or more than one hundred and fifty words in length and an estimate of the time required to read his paper.

Sec. 11. LENGTH OF PAPERS AND DISCUSSIONS: The time allowed for the presentation of a paper before a section shall be limited to fifteen minutes. No one shall discuss any paper more than once, nor for longer than five minutes, except wtih the unanimous consent of those present.

Sec. 12. NUMBER OF PAPERS ON PROGRAM: The number of papers, including addresses, on the program of any section shall not exceed twenty-five.

Sec. 13. CAN PRESENT ONLY ONE PAPER AT AN ANNUAL SESSION: A Fellow shall present no more than one paper at any Scientific Assembly.

Sec. 14. SECTION TO PROVIDE BY-LAWS: Each section may make by-laws for its own government, provided that they shall in no way conflict with the Constitution and By-Laws of the American Medical Association.

Chapter XV.—Publication

Section 1. PAPERS APPROVED FOR PUBLICATION: No paper shall be published as having been read before a section unless it has received the approval and the endorsement of each member of the executive committee of the section before which it was read.

Sec. 2. PAPERS MUST BE READY FOR PUBLICATION: Each author shall hand his paper to the secretary of the section immediately after it is read. The secretary shall endorse thereon that it has been read and shall hand it to the chairman of the executive committee. All papers approved by the executive committee shall be returned to the secretary of the section, who shall at once forward them to the editor of The Journal.

Sec. 3. PAPERS "READ BY TITLE": No paper shall be published as having been read before a section unless it has actually been read by its author, or unless, for special reasons, when the author has been present and prepared to read the paper, the section shall unanimously vote to have it read by title.

Sec. 4. PAPERS THE PROPERTY OF THE ASSOCIATION: All papers and reports presented to a section and approved by the exceutive committee shall become the exclusive property of the Association, provided that the Board of Trustees may permit an author to publish his paper elsewhere than in The Journal of the American Medical Association.

MISCELLANEOUS

Chapter XVI.—Official Resolutions Approved by the House of Delegates

No memorial, resolution or opinion of any character whatever shall be issued in the name of the American Medical Association unless it has been approved by the House of Delegates.

Chapter XVII.—Annual Fellowship Dues

The annual Fellowship dues shall be six dollars, payable in advance on the first day of January of each year, of which not less than five dollars shall be credited to the subscription for one year to The Journal.

Chapter XVIII.—Articles of Incorporation

The House of Delegates, at any annual session, wherever the same may be held, may instruct the Board of Trustees to make any changes in the articles of incorporation in accordance with the law which may appear desirable, or which may be made necessary by the change or amendment to the Constitution and By-Laws of this Association.

Chapter XIX.—Amendment to These By-Laws

These By-Laws may be amended on a three fourths vote of the House of Delegates, provided that no amendment shall be acted on till the day following that on which it is introduced; except that the Board of Trustees may, by unanimous vote, make such changes, and such changes only, as may be required to adapt them to the rules and regulations of the United States postal authorities.

PRINCIPLES OF MEDICAL ETHICS

CHAPTER I.—THE DUTIES OF PHYSICIANS TO THEIR PATIENTS

The Physician's Responsibility

Section 1. A profession has for its prime object the service it can render to humanity; reward or financial gain should be a subordinate consideration. The practice of medicine is a profession. In choosing this profession an individual assumes an obligation to conduct himself in accord with its ideals.

Patience, Delicacy and Secrecy

Sec. 2. Patience and delicacy should characterize all the acts of a physician. The confidences concerning individual or domestic life entrusted by a patient to a physician and the defects of disposition or flaws of character observed in patients during medical attendance should be held as a trust and should never be revealed except when imperatively required by the

laws of the state. There are occasions, however, when a physician must determine whether or not his duty to society requires him to take definite action to protect a healthy individual from becoming infected, because the physician has knowledge, obtained through the confidence entrusted to him as a physician, of a communicable disease to which the healthy individual is about to be exposed. In such a case, the physician should act as he would desire another to act toward one of his own family under like circumstances. Before he determines his course, the physician should know the civil law of his commonwealth concerning privileged communications.

Prognosis

Sec. 3. A physician should give timely notice of dangerous manifestations of the disease to the friends of the patient. He should neither exaggerate nor minimize the gravity of the patient's condition. He should assure himself that the patient or his friends have such knowledge of the patient's condition as will serve the best interests of the patient and the family.

Patients Must Not Be Neglected

Sec. 4. A physician is free to choose whom he will serve. He should, however, always respond to any request for his assistance in an emergency or whenever temperate public opinion expects the service. Once having undertaken a case, a physician should not abandon or neglect the patient because the disease is deemed incurable; nor should he withdraw from the case for any reason until a sufficient notice of a desire to be released has been given the patient or his friends to make it possible for them to secure another medical attendant.

CHAPTER II.—THE DUTIES OF PHYSICIANS TO EACH OTHER AND TO THE PROFESSION AT LARGE

Article I.—Duties to the Profession

Uphold Honor of Profession

Section 1. The obligation assumed no entering the profession requires the physician to comport himself as a gentleman and demands that he use every honorable means to uphold the dignity and honor of his vocation, to exalt its standards and to extend its sphere of usefulness. A physician should not base his practice on an exclusive dogma or sectarian system, for "sects are implacable despots; to accept their thraldom is to take away all liberty from one's action and thought." (Nicon, father of Galen.)

Duty of Medical Societies

Sec. 2. In order that the dignity and honor of the medical profession may be upheld, its standards exalted, its sphere of usefulness extended, and the advancement of medical science promoted, a physician should associate himself with medical societies and contribute his time, energy and means in order that these societies may represent the ideals of the profession.

Deportment

Sec. 3. A physician should be "an upright man, instructed in the art of healing." Consequently, he must keep himself pure in character and conform to a high standard of morals, and must be diligent and conscientious in his studies. "He should also be modest, sober, patient, prompt to do his whole duty without anxiety; pious without going so far as superstition, conducting himself with propriety in his profession and in all the actions of his life." (Hippocrates.)

Advertising

Sec. 4. Solicitation of patients by circulars or advertisements, or by personal communications or interviews, not warranted by personal relations, is unprofessional. It is equally unprofessional to procure patients by indirection through solicitors or agents of any kind, or by indirect advertisement, or by furnishing or inspiring newspaper or magazine comments concerning cases in which the physician has been or is concerned. All other like self-laudations defy the traditions and lower the tone of any profession and so are intolerable. The most worthy and effective advertisement possible, even for a young physician, and especially with his brother physicians, is the establishment of a well-merited reputation for professional ability and fidelity. This cannot be forced, but must be the outcome of character and conduct. The publication or circulation of ordinary simple business cards, being a matter of personal taste or local custom, and sometimes of convenience, is not per se improper. As implied, it is unprofessional to disregard local customs and offend recognized ideals in publishing or circulating such cards.

It is unprofessional to promise radical cures; to boast of cures and secret methods of treatment or remedies; to exhibit certificates of skill or of success in the treatment of diseases; or to employ any methods to gain the attention of the public for the purpose of obtaining patients.

Patients and Perquisites

Sec. 5. It is unprofessional to receive remuneration from patents for surgical instruments or medicines; to accept rebates on prescriptions or surgical appliances, or perquisites from attendants who aid in the care of patients.

Medical Laws—Secret Remedies

Sec. 6. It is unprofessional for a physician to assist unqualified persons to evade legal restrictions governing the practice of medicine; it is equally unethical to prescribe or dispense secret medicines or other secret remedial agents, or manufacture or promote their use in any way.

Safeguarding the Profession

Sec. 7. Physicians should expose without fear or favor, before the proper medical or legal tribunals, corrupt or dishonest conduct of members of the profession. Every physician should aid in safeguarding the profession against the admission to its ranks of those who are unfit or unqualified because deficient either in moral character or education.

Article II.—Professional Services of Physicians to Each Other

Physicians Dependent on Each Other

Section 1. Experience teaches that it is unwise for a physician to treat members of his own family or himself. Consequently, a physician should always cheerfully and gratuitously respond with his professional services to the call of any physician practicing in his vicinity, or of the immediate family dependents of physicians.

Compensation for Expenses

Sec. 2. When a physician from a distance is called on to advise another physician or one of his family dependents, and the physician to whom the service is rendered is in easy financial circumstances, a compensation that will at least meet the traveling expenses of the visiting physician should be proffered. When such a service requires an absence from the accustomed field of professional work of the visitor that might reasonably be expected to entail a pecuniary loss, such loss should, in part at least, be provided for in the compensation offered.

One Physician to Take Charge

Sec. 3. When a physician or a member of his dependent family is seriously ill, he or his family should select a physician from among his neighboring colleagues to take charge of the case. Other physicians may be associated in the care of the patient as consultants.

Article III.—Duties of Physician in Consultations

Consultations Should Be Requested

Section 1. In serious illness, especially in doubtful or difficult conditions, the physician should request consultations.

Consultation for Patient's Benefit

Sec. 2. In every consultation, the benefit to be derived by the patient is of first importance. All the physicians interested in the case should be frank and candid with the patient and his family. There never is occasion for insincerity, rivalry or envy and these should never be permitted between consultants.

Punctuality

Sec. 3. It is the duty of a physician, particularly in the instance of a consultation, to be punctual in attendance. When, however, the consultant or the physician in charge is unavoidably delayed, the one who first arrives should wait for the other for a reasonable time, after which the consultation should be considered postponed. When the consultant has come from a distance, or when for any reason it will be difficult to meet the physician in charge at another time, or if the case is urgent, or if it be the desire of the patient, he may examine the patient and mail his written opinion, or see that it is delivered under seal, to the physician in charge. Under these conditions, the consultant's conduct must be especially tactful; he must remember that he is framing an opinion without the aid of the physician who has observed the course of the disease.

Patient Referred to Specialist

Sec. 4. When a patient is sent to one specially skilled in the care of the condition from which he is thought to be suffering, and for any reason it is impracticable for the physician in charge of the case to accompany the patient, the physician in charge should send to the consultant by mail, or in the care of the patient under seal, a history of the case, together with the physician's opinion and an outline of the treatment, or so much of this as may possibly be of service to the consultant; and as soon as possible after the case has been seen and studied, the consultant should address the physician in charge and advise him of the results of the consultant's investigation of the case. Both these opinions are confidential and must be so regarded by the consultant and by the physician in charge.

Discussions in Consultation

Sec. 5. After the physicians called in consultation have completed their investigations of the case, they may meet by themselves to discuss conditions and determine the course to be followed in the treatment of the patient. No statement or discussion of the case should take place before the patient or friends, except in the presence of all the physicians attending, or by their common consent; and no opinions or prognostications should be delivered as a result of the deliberations of the consultants, which have not been concurred in by the consultants at their conference.

Attending Physician Responsible

Sec. 6. The physician in attendance is in charge of the case and is responsible for the treatment of the patient. Consequently, he may prescribe for the patient at any time and is privileged to vary the mode of treatment outlined and agreed on at a consultation whenever, in his opinion, such a change is warranted. However, at the next consultation, he should state his reasons for departing from the course decided on at the previous conference. When an emergency occurs during the absence of the attending physician, a consultant may provide for the emergency and the subsequent care of the patient until the arrival of the physician in charge, but should do no more than this without the consent of the physician in charge.

Conflict of Opinion

Sec. 7. Should the attending physician and the consultant find it impossible to agree in their view of a case another consultant should be called to the conference or the first consultant should withdraw. However, since the consultant was employed by the patient in order that his opinion might be obtained, he should be permitted to state the result of his study of the case to the patient, or his next friend in the presence of the physician in charge.

Consultant and Attendant

Sec. 8. When a physician has attended a case as a consultant, he should not become

the attendant of the patient during that illness except with the consent of the physician who was in charge at the time of the consultation.

Article IV.—Duties of Physicians in Cases of Interference

Criticism to Be Avoided

Section 1. The physician, in his intercourse with a patient under the care of another physician, should observe the strictest caution and reserve; should give no disingenuous hints relative to the nature and treatment of the patient's disorder; nor should the course of conduct of the physician, directly or indirectly, tend to diminish the trust reposed in the attending physician.

Social Calls on Patient of Another Physician

Sec. 2. A physician should avoid making social calls on those who are under the professional care of other physicians without the knowledge and consent of the attendant. Should such a friendly visit be made, there should be no inquiry relative to the nature of the disease or comment upon the treatment of the case, but the conversation should be on subjects other than the physical condition of the patient.

Services to Patient of Another Physician

Sec. 3. A physician should never take charge of or prescribe for a patient who is under the care of another physician, except in an emergency, until after the other physician has relinquished the case or has been properly dismissed.

Criticism to Be Avoided

Sec. 4. When a physician does succeed another physician in the charge of a case, he should not make comments on or insinuations regarding the practice of the one who preceded him. Such comments or insinuations tend to lower the esteem of the patient for the medical profession and so react against the critic.

Emergency Cases

Sec. 5. When a physician is called in an emergency and finds that he has been sent for because the family attendant is not at hand, or when a physician is asked to see another physician's patient because of an aggravation of the disease, he should provide only for the patient's immediate need and should withdraw from the case on the arrival of the family physician after he has reported the condition found and the treatment administered.

When Several Physicians Are Summoned

Sec. 6. When several physicians have been summoned in a case of sudden illness or of accident, the first to arrive should be considered the physician in charge. However, as soon as the exigencies of the case permit, or on the arrival of the acknowledged family attendant or the physician the patient desires to serve him, the first physician should withdraw in favor of the chosen attendant; should the patient or his family wish some one other than the physician known to be the family physician to take charge of the case the patient should advise the family physician of his desire. When, because of sudden illness or accident, a patient is taken to a hospital, the patient should be returned to the care of his known family physician as soon as the condition of the patient and the circumstances of the case warrant this transfer.

A Colleague's Patient

Sec. 7. When a physician is requested by a colleague to care for a patient during his temporary absence, or when, because of an emergency, he is asked to see a patient of a colleague, the physician should treat the patient in the same manner and with the same delicacy as he would have one of his own patients cared for under similar circumstances. The patient should be returned to the care of the attending physician as soon as possible.

Relinquishing Patient to Regular Attendant

Sec. 8. When a physician is called to the patient of another physician during the enforced absence of that physician, the patient should be relinquished on the return of the latter.

Substituting in Obstetric Work

Sec. 9. When a physician attends a woman in labor in the absence of another who has been engaged to attend, such physician should resign the patient to the one first engaged, upon his arrival; the physician is entitled to compensation for the professional services he may have rendered.

Article V.—Differences Between Physicians Arbitration

Section 1. Whenever there arises between physicians a grave difference of opinion which cannot be promptly adjusted, the dispute should be referred for arbitration to a committee of impartial physicians, preferably the Board of Censors of a component county society of the American Medical Association.

Article VI.—Compensation

Limits of Gratuitous Service

Section 1. The poverty of a patient and the mutual professional obligation of physicians should command the gratuitous services of a physician. But institutions endowed by societies, and organizations for mutual benefit, or for accident, sickness and life insurance, or for analogous purposes, should be accorded no such privileges.

Contract Practice

Sec. 2. It is unprofessional for a physician to dispose of his services under conditions that make it impossible to render adequate service to his patient or which interfere with reasonable competition among the physicians of a community. To do this is detrimental to the public and to the individual physician and lowers the dignity of the profession.

Secret Division of Fees Condemned

Sec. 3. It is detrimental to the public good and degrading to the profession, and therefore unprofessional, to give or to receive a commission. It is also unprofessional to divide a fee for medical advice or surgical treatment unless the patient or his next friend is fully informed as to the terms of the transaction. The patient should be made to realize that a proper fee should be paid the family physician for the service he renders in determining the surgical or medical treatment suited to the condition, and in advising concerning those best qualified to render any special service that may be required by the patient.

CHAPTER III.—THE DUTIES OF THE PROFESSION TO THE PUBLIC

Physicians as Citizens

Section 1. Physicians, as good citizens and because their professional training specially qualifies them to render this service, should give advice concerning the public health of the community. They should bear their full part in enforcing its laws and sustaining the institutions that advance the interests of humanity. They should cooperate especially with the proper authorities in the administration of sanitary laws and regulations. They should be ready to counsel the public on subjects relating to sanitary police, public hygiene and legal medicine.

Physicians Should Enlighten Public—Duties in Epidemics

Sec. 2. Physicians, especially those engaged in public health work, should enlighten the public regarding quarantine regulations; on the location, arrangement and dietaries of hospitals, asylums, schools, prisons and similar institutions; and concerning measures for the prevention of epidemic and contagious diseases. When an epidemic prevails, a physician must continue his labors for the alleviation of suffering people, without regard to the risk to his own health or life or to financial return. At all times, it is the duty of the physician to notify the properly constituted public health authorities of every case of communicable disease under his care, in accordance with the laws, rules and regulations of the health authorities of the locality in which the patient is.

Public Warned

Sec. 3. Physicians should warn the public against the devices practiced and the false pretensions made by charlatans which may cause injury to health and loss of life.

Pharmacists

Sec. 4. By legitimate patronage, physicians should recognize and promote the profession of pharmacy; but any pharmacist, unless he be qualified as a physician, who assumes to prescribe for the sick, should be denied such countenance and support. Moreover, whenever a druggist or pharmacist dispenses deteriorated or adulterated drugs, or substitutes one remedy for another designated in a prescription, he thereby forfeits all claims to the favorable consideration of the public and physicians.

Conclusion

While the foregoing statements express in a general way the duty of the physician to his patients, to other members of the profession and to the profession at large, as well as of the profession to the public, it is not to be supposed that they cover the whole field of medical ethics, or that the physician is not under many duties and obligations besides those herein set forth. In a word, it is incumbent on the physician that under all conditions, his bearing toward patients, the public and fellow practitioners should be characterized by a gentlemanly deportment and that he constantly should behave toward others as he desires them to deal with him. Finally, these principles are primarily for the good of the public and their enforcement should be conducted in such a manner as shall deserve and receive the endorsement of the community.

Part III—Index of Physicians

Names of physicians are arranged alphabetically by surnames. Full names are given in place of initials whenever possible. The address which follows each name indicates the portion of the classified directory where complete information regarding the physician is given. Key to symbols used in the index:

† Refers to addenda.
‡ Indicates death. Date of death noted in addenda.
§ Address unknown.

SPECIAL EXPLANATORY NOTES

Addenda (Page 1775)

The addenda include the names of physicians received too late to classify; also corrections and deaths recorded during the printing of the directory. These names appear in the index, followed by the symbols † for addenda and ‡ for death.

Addresses Unknown (Page 1743)

It has been deemed advisable to include in this edition an alphabetical list of physicians, with data, whose present locations are unknown. These names appear in the index, followed by the symbol §.

Local Address and Office Hours

Local addresses and office hours are given in all cities of 25,000 population and over.

Number of Physicians

The number is given in cities that have one hundred (100) or more physicians; number in states, see page 8.

Pathologists, Bacteriologists, Dentists, Etc.

Pathologists, Bacteriologists, Dentists, etc., are included in this directory when they are medical graduates. If not in medical practice, no license is required.

Physicians Listed Under Two Places

When a physician lives in one town and has an office in another, all data are given in one place, only names and references in the other.

Population

Population given at the beginning of each state and after each city in the United States is obtained from the Census of 1920.

R. D. and Neighboring P. O.

Names of Cities and towns are printed according to the Official Postal Guides of the United States and Canada. The prefix Saint is abbreviated, as St. Louis. (R.D.) is given in all places receiving mail by rural delivery; (P.O.) in all places receiving mail at a neighboring postoffice. These postoffices must always be used in addressing physicians in such places.

Saunders' Books

Warbasse's Surgical Treatment

This "Surgical Treatment" gives you the operative treatment of every surgical condition, major and minor, general, special, industrial, military, and civilian. It gives the general practitioner a full course of *medicinal* and *non-operative treatment* for every so-called surgical condition where such treatments promise results.

Three octavos, totaling 2637 pages, with 2400 original illustrations and *Separate Desk Index Volume.* By JAMES PETER WARBASSE, M.D., Surgeon to the Wyckoff Heights Hospital, Brooklyn. Per set: Cloth, $35.00 net.

Albee's Orthopedic and Reconstruction Surgery

Dr. Albee's work covers a much broader field than the old conception of orthopedic surgery. It is much more than a treatise on the use of braces, frames, plaster-of-Paris, and other essentially non-operative procedures. It is as well a full and comprehensive presentation of *operative orthopedic surgery,* covering this side of the subject more thoroughly than any other work in any language. It takes up not only the orthopedics of the child, but of the *adult* as well.

Large octavo of 1138 pages, profusely illustrated. By FRED H. ALBEE, M.D., Sc.D., Professor of Orthopedic Surgery, New York Postgraduate Medical School. Cloth, $12.00 net.

Crile and Lower's Surgical Shock *SECOND EDITION*

Operation without shock, nausea, vomiting, gas pains, backache, nephritis, pneumonia, and other postoperative complications is an end the achievement of which is much to be desired. Such an achievement is now possible if you apply in your work the information this book gives you. What you get here are *the results of over twenty years' experimental investigation.*

By GEORGE W. CRILE, M.D., Professor of Surgery, and WILLIAM E. LOWER, M.D., Associate Professor of Genito-Urinary Surgery, Western Reserve University. Octavo of 272 pages, illustrated. Cloth, $6.50 net.

Surgical Clinics of North America *CLINICAL SURGERY*

To those men doing active surgery in any of its branches these bimonthly publications provide a continuous postgraduate course at an extremely moderate cost. They bring home the actual clinical teaching of America's leading surgeons, using as their clinical material the hundreds of cases coming into the country's largest hospitals.

Issued serially, one octavo of 300 pages, illustrated, every other month. Per Clinic Year (February to December). Cloth, $16.00 net; paper, $12.00 net.

Medical Clinics of North America *CLINICAL MEDICINE*

These volumes of clinical medicine bring to the physician's desk the postgraduate teaching of the nation's leading medical centers. Each number is devoted to the work of one center, and only to internal medicine or subjects of interest to general practitioners. The material you get here is new—practical, everyday cases. Illustrations, of course, are used when helpful.

Issued serially, one octavo of 300 pages, illustrated, every other month.
Per clinic year (July to May): Cloth, $16.00 net; paper, $12.00 net.

Carman's X-ray Diagnosis of Alimentary Diseases

The new edition of this work is 100 pages larger than the first edition and contains 122 additional illustrations. Two new chapters appear, one on hour glass stomach, and the other a chronologic abstract of the published work on pneumoperitoneal diagnosis of abdominal lesions. So much new matter has been interpolated throughout the volume that it is really a new book. It represents a summing up of the work done at The Mayo Clinic in the use of the roentgen ray in this field.

Octavo of 676 pages, with 626 illustrations. By RUSSELL D. CARMAN, M.D., Head of Section of Roentgenology, Division of Medicine, The Mayo Clinic, Rochester, Minn. Cloth, $8.50 net.

Saunders' Books

Cabot's Differential Diagnosis

TWO VOLUMES

Thousands of these two volumes have been sold. Each volume describes symptoms and diagnoses diseases not discussed in the other volume. They form an analytical diagnosis based on a study of *180,000 cases* examined by Dr. Cabot at the Massachusetts General Hospital. They discuss cases you meet with in your private and hospital practice.

Two octavos of about 700 pages each, illustrated. By RICHARD C. CABOT, M.D., Professor of Clinical Medicine, Harvard Medical School. Per Volume: Cloth, $9.00 net.

MacCallum's Pathology

NEW (2d) EDITION

Particularly heavy have been the additions under infectious diseases and those caused by animal parasites, wounds, the effects of poisonous gases and the consequences of malnutrition. The sections on shock, acid-base equilibrium, hydrocephalus, immunity in tuberculosis, meningococcal infections, pneumonia after measles, influenza, cholera, leprosy have been rewritten from the personal experiences of the author.

Octavo of 1156 pages, with 585 original illustrations, many in colors. By W. G. MACCALLUM, M.D., Professor of Pathology and Bacteriology, Johns Hopkins University. Cloth, $10.00 net.

Griffith's Diseases of Children

TWO VOLUMES

Dr. Griffith has had long experience with a very large private and hospital practice. He gives you here a summary of that experience—a complete treatise on pediatrics, set down in definite form. Numerous case histories are given, and frequently the condition of the patient over a period of time is told and shown. The large number of temperature, pulse, blood pressure, respiration and other charts form a feature not usually found in works on pediatrics.

By J. P. CROZER GRIFFITH, M.D., Professor of Pediatrics in the University of Pennsylvania. Two octavos, totaling 1500 pages, illustrated. Per set: Cloth, $18.00 net.

Boyd's Preventive Medicine

JUST OUT

The aim of this new book is to present clearly yet concisely the salient features of modern preventive medicine. Five groups of diseases are considered: Those resulting from the invasion of micro-organisms; those resulting from faulty diet; those the result of unhygienic or insanitary conditions of employment; those the result of the puerperal state; and those transmitted from parent to offspring. This is a *practical* book.

Octavo of 352 pages, with 135 illustrations. By MARK F. BOYD, M.D., M.S., C.P.H., Professor of Bacteriology and Preventive Medicine, Medical Department of the University of Texas. Cloth, $4.00 net.

Graves' Gynecology

SECOND EDITION

This work is based on Dr. Graves' personal experience. It is strong on differential diagnosis. Two entire sections are devoted to *non-surgical gynecology*, giving only drug and mechanical treatments. You get a large chapter on the *physiology* of the pelvic organs and on *correlated gynecology*.

Octavo of 885 pages, with 491 illustrations, 100 in colors. By WILLIAM P. GRAVES, M.D., Professor of Gynecology at Harvard Medical School. Cloth, $9.00 net.

DeLee's Obstetrics

THIRD EDITION

For this *third edition* every chapter has been entirely revised. New evaluations have been given Abderhalden's pregnancy reaction, the relation of the endocrine glands to gestation, twilight sleep, and the urinary tests for the toxemias. The practical subjects of anesthesia and analgesia, perineorrhaphy, cesarean section, especially the newer methods, the treatment of contracted pelvis, and rectal examination in the conduct of labor have been expanded.

Large octavo of 1089 pages, with 949 illustrations, 187 in colors. By JOSEPH B. DELEE, M.D., Professor of Obstetrics in the Northwestern University Medical School, Chicago. Cloth, $12.00 net.

OXFORD *Publications*

Oxford *Loose-Leaf* Medicine and Oxford *Loose-Leaf* Surgery, With Supplementary and Abstract Services.

By HENRY A. CHRISTIAN, SIR JAMES MACKENZIE, F. F. BURGHARD AND ALLEN B. KANAVEL.

The thousands upon thousand subscribers to these perpetual up-to-date works make them the greatest triumph of Oxford Medical Publications. Circulars upon application.

Oxford Books on Children, Including a Very Large Selection of Texts and Special Monographs.

These volumes include the great masterpiece by George Frederick Still, Common Disorders and Diseases of Childhood, Functional Nervous Disorders, Prescribing, Infant Feeding and Kirmisson's Surgery of Children.

Oxford Books on Medicine.

This list of systems, texts, monographs and critical studies is one of the largest published. Application for circulars will repay the necessary trouble.

Oxford Books on Surgery.

Includes a very long list of systems, monographs and texts, regional, operative, general, military, etc. The 1919-20 list in itself includes nearly every phase of surgery while great classics are kept revised.

Oxford Books on Heart Diseases.

Sir James Mackenzie, Price and Wilson have made the modern viewpoint of cardio-vascular diseases.

Oxford College Texts are used in nearly all the colleges of the British Empire and the better schools of America.

These books are very carefully written, brief and concise with a real effort to lend the instructor aid in the science he is teaching and impart a practical knowledge to the student.

Oxford Medical Periodicals. This list includes three journals.

The Quarterly Journal of Medicine, Medical Science, Abstracts and Reviews and the Seale Hayne's Neurological Studies.

Oxford Medical *Belles-Lettres*. Medical History, Philosophy, Biography, Essays and Ancient Books.

This series includes about 30 volumes of "Medical Humanities," literature and art in relation to medicine, original papers of discovery and facsimile reproductions of ancient books and Manuscript of Practice. They are a real luxury to one who enjoys history, philosophy and Belles-Lettres in general.

Oxford Genito-Urinary Books.

Browning's "Venereal Diseases," Harrison's "Diagnosis and Treatment of Venereal Diseases," etc.

Oxford Gynecology and Obstetrics.

Six texts of 1918-20 with other special monographs. This list includes the great masterpieces and classics, Tweedy and Wrench, Berkeley and Bonney and the new Gynecology and Obstetrics by Fairbairn.

Oxford Books on Neurology.

This list is especially full of studies in neurology.

Including Henry Head, Sir James Purves Stewart, etc. A large list of 1919-20 volumes.

Oxford Books on Tuberculosis.

Clive Riviere's works have been called the most wonderful contributions to medicine.

Oxford Books on Eye, Ear, Nose and Throat.

Some of these monographs have long been the great classics in their field as Parson's Neurology of Vision and Burch's Physiological Optics.

Oxford Books on Radiology and Radium. This series includes three texts.

W. J. S. Bythell's X-Ray Diagnosis, Harold Mowat's X-Rays and N. S. Finzi's Radium Therapeutics.

Oxford Books for Nurses, Including Books for Nursing, Massage and Gymnastic Treatment.

This list has ten volumes beautifully illustrated and of Oxford standard.

HOSPITALS APPROVED FOR INTERNSHIPS

The following 610 hospitals offering 3,470 internships are available as follows: General hospitals Section I are considered in position to furnish acceptable internships for medical graduates. The hospitals in Sections II and III offer opportunities for physicians who seek further training along certain specialties. Internships in one of these hospitals, therefore, should be considered as supplementary, and should be based on an internship taken in a general hospital.

There may be other hospitals eligible for admission to this list which are omitted either because they have failed to supply information on which a decision regarding them can be based, or because they have definitely stated that they do not use interns.

Explanation of symbols occurring in Sections I, II and III may be found at end of table.

SECTION I. GENERAL HOSPITALS; TOTAL, 482; 2,962 INTERNSHIPS; BEDS, 106,868

MEDICAL PRACTICE LAW OF ALABAMA

An Act

To Regulate the Practice of Medicine in the State of Alabama.

Section 1. BOARD OF EXAMINERS: The Board of Censors of the Medical Association of the State of Alabama, as constituted under the laws now in force, or which may hereafter be in force, is hereby constituted a State Board of Medical Examiners, and is hereby charged with the duties and clothed with the powers hereinafter prescribed.

Sec. 2. EXAMINATIONS: An applicant for a certificate of qualification to treat diseases of human beings by any system of treatment whatsoever shall, according to rules prescribed and standards established by the Medical Association of the State of Alabama, be examined, in writing, by the State Board of Medical Examiners, in the following named branches of medical learning, to wit: Chemistry, anatomy, physiology, the etiology, pathology, symptomatology and diagnosis of diseases; obstetrics and obstetrical operations; gynecology; major and minor surgery; physical diagnosis; diseases of the eye, ear, nose and throat; and hygiene and medical jurisprudence.

Sec. 3. APPLICATIONS: An applicant shall, before being permitted to enter upon an examination, fill out an application blank, giving his name, age, residence, college and date of graduation, presenting his diploma (as evidence of graduation), references and such other data as the State Board of Medical Examiners may require. The applicant shall make affidavit that he is the person he represents himself to be and that he will faithfully observe all rules governing the examination. Any member of the State Board of Medical Examiners, or the supervisor of examinations appointed by said board, is hereby authorized to administer the oath prescribed. The board shall have the right to refuse to examine a person whose reputation is such as to render him unworthy of membership in the medical profession.

Sec. 4. CERTIFICATE: When an applicant who has undergone examination shows such a standard of proficiency in the branches of medical learning enumerated in Section 2 of this Act as has been, or may be, fixed by the Medical Association of the State of Alabama, a certificate of qualification, in form to be prescribed by the said association, shall be issued to the applicant, which certificate shall entitle the holder thereof to treat any diseases of human beings he may be called upon to treat in accordance with the teachings of the school or sect of medicine to which he belongs.

Sec. 5. SUBJECTS EXEMPTED: When an applicant states in writing that he does not propose to practice major surgery, said applicant shall be exempt from examination in said branch of major surgery, and should his proficiency in the other branches of medical learning named in Section 2 of this Act reach the standard established by the Medical Association of the State of Alabama, a certificate of qualification, in form to be prescribed by said association, shall be issued to him, which certificate shall entitle him to treat any diseases of human beings he may be called upon to treat in accordance with the teachings of the school or sect of medicine to which he belongs; provided, that the holder shall not be entitled to perform the operations of major surgery, and that this restriction shall appear on the face of the certificate.

Sec. 6. REEXAMINATIONS: When an applicant fails to attain the standard of proficiency prescribed by the State Medical Association his examination shall be deemed unsuccessful. Such applicant shall, however, be entitled to another examination at any time after the expiration of six months from the date of the preceding examination.

Sec. 7. MUST FILE CERTIFICATE: A physician who receives a certificate of qualification shall, within ten days after locating in a county, file such certificate in the office of the judge of probate of such county for record, and should said physician remove his residence to another county he shall within said time have his certificate re-recorded in that county. Any failure on the part of the holder of a certificate of qualification to comply with the provisions of this section within ten days after written notice so to do by the chairman of the county board of health shall render such certificate null and void. A physician may voluntarily surrender his certificate to the State Board of Medical Examiners if he does so in writing with two witnesses. Notice of such surrender shall be given by said Board to the judge of probate of each county in which the certificate is recorded.

Sec. 8. REGISTER OF PHYSICIANS: The judge of probate of a county shall provide a blank book, of suitable size, to be called the "Register of Physicians," in which book shall be recorded all certificates of qualification filed by physicians of the county. The fee for recording each certificate shall be fifty cents. At some time between the 1st and 10th of January of each year the said judge of probate shall forward to the State Board of Medical Examiners a full report of the names of all physicians, together with their postoffices, whose certificates have been recorded in his office for the preceding year; and if any physician whose certificate was so recorded shall have moved from the county or shall have died, the place to which such physician has removed, if known, or the date of the death, as the case may be, shall be reported.

Sec. 9. RECIPROCITY: The State Board of Medical Examiners may establish reciprocal relations with similar boards of other states in reference to the issuance of certificates of qualification, provided that such reciprocal relations shall not be established with the State Board of Examiners of any state that does not require examination upon subjects substantially the same branches of medical learning as those enumerated in Section 1627 of this code, and does not maintain a standard of proficiency at least equal to that maintained by the State Board of Medical Examiners of this state. When such reciprocal relations have been established a certificate of qualification may be issued without examination to a person who presents evidence that he has complied with the requirements of a reciprocating State Board of Medical Examiners, provided that on the face of a certificate issued in accordance with this section it shall appear that such certificate was issued pro forma and without examination.

Sec. 10. PRACTICE IN NEIGHBORING COUNTIES: A physician who resides in an adjoining state, near the border of this state, shall be allowed the privilege of practicing in any county in this state into which his practice may extend without examination, provided that he holds a certificate of qualification from his own State Board of Medical Examiners and causes said certificate to be placed on record in the office of the judge of probate of the county or counties in this state into which his practice extends, and provided, further, that he shall not open an office, or establish a place in this state at which calls may be left for him. A similar privilege shall be accorded a licensed physician of any state who may be called into this state in consultation with a physician, except that such consulting physician shall not be required to place his certificate of qualification on record.

Sec. 11. EXEMPTIONS FROM EXAMINATION: The State Board of Medical Examiners may issue to a surgeon, or assistant surgeon of the United States Army or Navy, or of the United States Public Health Service, a certificate of qualification without examination, provided that such surgeon or assistant surgeon presents to the State Board of Medical Examiners a commission, or other satisfactory evidence, showing that he is a medical officer of the United States Army, Navy or Public Health Service, as the case may be, and provided, further, that upon the face of the certificate of qualification so issued, it shall appear that the certificate was issued pro forma, and without examination.

Sec. 12. REVOKING CERTIFICATE OF QUALIFICATION TO PRACTICE MEDICINE: The State Board of Medical Examiners may revoke a physician's certificate of qualification to practice medicine for any of the following:

1. Using spirituous, vinous or malt liquors or morphin, opium, cocain or other stimulants or narcotics to such an extent as to render him insafe or unreliable as a practitioner.

2. Being guilty of unprofessional conduct of a character likely to deceive, defraud or injure the public in matters pertaining to health.

4. Advertising himself or his practice, whether through newspapers or other periodicals, or by circulars or otherwise, in such manner as tends to mislead or deceive the public in matters pertaining to health.

5. Inducing or aiding in inducing, or attempting or aiding in an attempt to induce a criminal abortion or a criminal miscarriage, or a criminal premature delivery of a woman, when done for the purpose of saving her life, shall not be deemed criminal, but before resorting to any of said methods of saving a woman's life the attending physician shall use due diligence to obtain the advice of one or more consulting physicians.

6. Performing an operation of major surgery when his certificate of qualification does not entitle him to do so.

7. Being convicted in any court anywhere, while holding a certificate of qualification to practice medicine, of any offense involving moral turpitude, whether committed under color of his professional duties or connected therewith or not.

Sec. 13. INVESTIGATION AS TO REVOCATION OF CERTIFICATE OF QUALIFICATION: Whenever written complaint is made to the State Board of Medical Examiners that a physician has committed any of the acts, or come within any of the disabilities, enumerated in the preceding section, it shall be the duty of said board to hear and determine said complaint, the hearing to be held at such place or places in the state of Alabama and at such time or times as the board may decide upon from time to time, and the board may adjourn such hear-

ing from place to place and from time to time. The person whose qualification is under consideration shall not have less than twenty days' written notice of the time and place of the initial hearing, which notice shall be accompanied by a copy of the complaint.

Such notice may be served by any sheriff of the state of Alabama, or by any member of the Medical Association of the State of Alabama, and if served by a member of said association, the return of service shall be sworn to by said member before some officer authorized to administer affidavits. But if said person is out of the state, or evades service, or cannot be served in person, then the service may be made by mailing a copy of the complaint and of the notice to said person at his last known postoffice address in this state, and the return shall show that service has been made in this manner. The investigation shall be held with as little publicity as practicable, consistently with a fair and impartial hearing, and the complainant and the person whose qualification is under consideration, and any other person who may be permitted to do so by the board shall have the right to introduce all such oral testimony or written testimony, or both, as the board may deem relevant to the issues involved, and the right to be heard in person, or by counsel, or both. The board shall have full power to permit the complaint to be amended at any time. The board shall also have the right to determine all questions as to the sufficiency of the complaint, as to procedure and as to the admissibility and weight of evidence; and the law and rules of pleading and evidence according to its own idea of justice and propriety. If the person whose qualification is under consideration absents himself, the hearing shall proceed in his absence. To any such hearing witnesses may be subpoenaed by the board on its own motion or on the demand of either side by subpoena signed by the chairman of the Board of Medical Examiners, or by the person at the time discharging the duties of said officer, and such subpoena may be served by any sheriff of the state of Alabama or by any member of the Medical Association of the state of Alabama, and if served by a member of said association the return of service shall be sworn to by said member before some officer authorized to administer affidavits. Witnesses may be sworn by said chairman or said person discharging the duties of said officer. Any witness failing to attend shall be liable to a penalty of two hundred dollars ($200), to be recovered by the Board of Medical Examiners if the witness was summoned on behalf of this complainant, or by the person whose qualification is under consideration if the witness was summoned on his behalf, by suit in any court of competent jurisdiction. But in such suit the witness may offer in bar of said suit, and have the validity thereof passed upon, any excuse he may have for such non-attendance. In any such suit the return of the subpoena and a certificate of the non-attendance of the witness by the chairman of the Board of Medical Examiners, or the person at the time discharging the duties of said officer, shall respectively be prima facie evidence of said service of subpoena and said non-attendance. Any witness attending any such hearing shall immediately upon his discharge as a witness be paid by the board two dollars ($2) per day for his attendance and the actual cost of his transportation to and from the place of the hearing not exceeding three (3) cents per mile for each mile traveled, to be paid out of the funds of the State Board of Health. If the board is of the opinion that the number of subpoenas desired by said person whose qualification is under consideration is unreasonable it may, for the witnesses above what it considers a reasonable number, require of said person a deposit with which to pay the mileage and per diem of said witnesses. After the hearing the board may return to said person that portion of said deposit which was for witnesses whose evidence shows that they were not unreasonably summoned. Evidence by deposition may also be taken, the commission being issued by the chairman of the board, and the law and practice as to deposition of courts may be followed in so far as they are deemed reasonably applicable by the board; and no such deposition shall be suppressed for any cause whatever if in the opinion of the board the deposition was fairly taken and no injustice will result from its admission. Whenever it has been established by the judgment of the court of competent jurisdiction that a physician has committed any of the acts or come within any of the disabilities enumerated in the preceding section, the filing of a certified copy of such judgment with the board shall be sufficient to justify such revocation without further hearing, unless the board is of the opinion that fairness to said physician requires that regular hearing be held. An appeal may be taken to the circuit court or court of like jurisdiction of the county in which the person whose certificate is ordered revoked from any order revoking a certificate of qualification made by said board within thirty (30) days after the rendition thereof. Any person desiring to take an appeal under this section shall, within thirty (30) days after such order revoking such certificate has been made, file in the office of the clerk of the court to which such appeal is taken, a statement in writing setting forth the fact that such order revoking such certificate has been made, and the ground or grounds upon which such order revoking such certificate was made, and the names and residences of the persons constituting such board, and shall also file with such written statement a bond to be approved by the clerk of such court conditioned to pay the costs of the appeal if judgment be rendered against the party making such appeal; and, thereupon, the clerk of such court shall issue a citation to the chairman or acting chairman of such board requiring him on behalf of such board to appear before such court at a time to be named in such citation, not earlier than twenty days after the service of such citation and not later than the next succeeding term of such court, provided that such appeal is not taken within thirty (30) days next preceding the succeeding term of such court, in which event such citation may be made returnable to the next term of the court to be held after such succeeding term. If an appeal is taken under the provisions of this section the cause shall be docketed in the name of the chairman of such board as plaintiff, with the name of the party whose certificate has been revoked as defendant; and the plaintiff in such cause shall, under the direction of the board, file in said court a written statement signed by him as chairman, or by the attorney of the board, setting forth specifically the charges against the said defendant and the reasons why the certificate of qualification should remain revoked and the defendant shall take issue thereon by pleading the general issue. Thereupon the cause shall be tried do novo and if judgment in said cause is rendered in favor of the plaintiff the court shall enter a judgment after affirming such order revoking such certificate and shall tax the defendant with the costs of such cause; if judgment is rendered in favor of the defendant the court shall make an order vacating such order revoking such certificate and shal tax the costs of such cause against the plaintiff. Upon a demand in such court in writing by either party to said cause all the issues of facts in said cause shall be submitted to a jury to be selected, empanelled and sworn as other juries are selected, empanelled and sworn in civil cases. The plaintiff or defendant may appeal to the supreme court of Alabama from any judgment rendered in said cause by said court in the same manner as appeals are now taken to the supreme court in civil cases. Upon such appeal there shall be furnished in the bill of exceptions a complete statement of all the evidence taken in the trial of the cause in the court below, and the supreme court shall upon such evidence render final judgment in the case, either by affirming the judgment, or by reversing and rendering such judgment as the supreme court may deem proper in the case.

Sec. 14. REVOCATION AND REPORT TO JUDGE OF PROBATE: The Board of Medical Examiners of the state of Alabama shall not order the revocation of the certificate of qualification of a physician unless at least eight (8) members of the board are present at the time such order is made, nor then if two or more of those present vote against such order. Whenever the State Board of Medical Examiners decides to revoke a certificate of qualification said board shall issue an order of revocation and shall give written notice thereof to the judges of probate of the counties in which such certificate is recorded, provided that if said Board of Medical Examiners receives written notice of appeal from its decision in accordance with the preceding section it shall withhold said notice of revocation from such judges of probate until such time as the result of the appeal becomes known. Whenever a judge of probate receives a written notice from the State Board of Medical Examiners that a certificate of qualification of a physician which is on record in his office has been revoked he shall cause an entry to be made on the margin of such recorded certificate to the effect that upon the order of the State Board of Medical Examiners the certificate has been revoked and entering at the same time the date of revocation. If a judge of probate receive notice from the State Board of Medical Examiners that the certificate of qualification of a physician residing in his county has been revoked, and if the certificate of qualification of such physician has never been placed on record in his office, he shall cause notice of the revocation of such certificate to be spread on the record book in which the certificates of qualification of physicians in the county are recorded.

Sec. 15. EFFECT OF REVOCATION; NEW CERTIFICATE: Whenever the certificate of qualification of a physician has been revoked it shall be unlawful for him to practice medicine in this state, provided that the State Board of Medical Examiners may issue to such physician, either with or without reexamination, a new certificate of qualification, whenever it deems such course safe and just. Upon receipt of such new certificate of qualification it shall become lawful for such physician to reenter upon the practice of medicine.

Sec. 16. PLACE OF EXAMINATION: That all examinations under this Act shall be conducted at Montgomery, and that the State Board of Medical Examiners shall fix the times at which examinations shall be held, provided that not less than two examinations shall be held annually.

Sec. 17. FEE: That the fee for an examination shall be ten dollars ($10), whtich amount must be paid in advance of the examination and to such person as the board may authorize to receipt therefor. A fee shall not be returned to an unsuccessful applicant, but such applicant shall be entitled to a second examination without paying an additional fee, provided that such second examination is obtained within one year after the date of the first examination. When an applicant has failed twice before the Board he shall not be eligible for another examination until he has taken a seven months' course in some reputable medical college or an equivalent course in a reputable hospital.

Sec. 18. DISPOSITION OF FEES; That after defraying all expenses of holding an examination, such as furnishing blanks, paper, postage, certificates, the services of supervisors, clerical help, etc., the remaining funds shall be equally divided among the ten members of the State Board of Medical Examiners.

Sec. 19. PENALTY FOR PRACTICE WITHOUT CERTIFICATE OR REGISTRATION; That any person who treats, or offers to treat, diseases of human beings in this state by any system of treatment whatsoever without having obtained a certificate of qualification from the State Board of Medical Examiners shall be guilty of a misdemeanor, and on conviction shall be fined for each offense not less than fifty dollars ($50) nor more than five hundred dollars ($500), and may be imprisoned for not less than one (1) month nor more than three (3) months, and where indictments

are preferred by a grand jury such cases shall only be tried in the court wherein the indictment is preferred, and shall not be transferred to any other court.

Sec. 20. **RECORDS OF EXAMINATIONS:** That the State Board of Medical Examiners shall keep complete records of all examinations held by it, giving the name, age, residence, college and date of graduation, presenting his diploma (as evidence of graduation), of each applicant examined, together with the results of such examination, which record shall be open to inspection. The said Board of Medical Examiners shall also keep complete minutes of all its proceedings, which minutes shall be so preserved as to be easily accessible should occasion arise for referring to them.

Sec. 21. **ADMINISTERING HOME REMEDIES; EMERGENCIES:** That nothing in this Act shall prohibit the administration of domestic remedies in a family by any member thereof, or prohibit any person from rendering service to a sick or injured person in an emergency, provided that the person rendering such service does not pursue the occupation of a physician.

Sec. 22. **REPEALING CLAUSE:** That all laws or parts of laws in conflict with this Act shall be and are hereby repealed.

Sec. 23. **DATE EFFECTIVE:** That this Act shall go into effect on and after the first day of July, 1907.

MEDICAL PRACTICE LAW OF ARIZONA

An Act

To Regulate the Practice of Medicine and Surgery, Osteopathy, and Other Systems or Modes of Treating the Sick or Afflicted; and to Provide for the Appointment of a Board of Medical Examiners; and to Prescribe Its Powers, Duties and Compensation.

Be it enacted by the legislature of the state of Arizona:

Section 1. APPOINTMENT AND MEMBERSHIP: The governor shall appoint a Board of Medical Examiners to be known as the Board of Medical Examiners of the State of Arizona, consisting of five members, each of whom shall have resided in Arizona for a period of three years next before his appointment. Such appointment shall be made every second year, as follows: Two members from the allopathic school of medicine of the state of Arizona, one member from the homeopathic school of medicine of the state of Arizona, one member from the eclectic school of medicine of the state of Arizona, and one member from the osteopathic school of medicine of the state of Arizona. Vacancies occurring in the representation of said professions respectively shall be filled by appointment by the governor from said professions. The appointment of each member shall be for a term of two years, and until his successor is appointed and qualified; provided, however, that no professor, instructor or other person in any manner connected with, or financially interested in, any college or school of medicine or surgery or osteopathy shall be appointed a member of said board. It shall require the affirmative vote of three members of said board to carry any motion on resolution, to adopt any rule, to pass any measure or to authorize the issuance of any certificate, as in this Act provided. Three members of said board shall constitute a quorum.

Sec. 2 QUALIFYING: Each member of said board shall, before entering upon the duties of his office, take the constitutional oath of office, and shall, in addition, make oath that he is a graduate in medicine and surgery or osteopathy, and a licensed practitioner of medicine and surgery, or of osteopathy, of this state.

Sec. 3. EXAMINATION: Said Board shall organize on or before the first Tuesday of August, 1913, by electing from its number a president, vice-president, second vice-president, secretary and treasurer, who shall hold their respective positions during the pleasure of said board. Said board shall hold its regular meetings in the capital of the state on the first Tuesday of January, April, July and October of each year, with power of adjournment from time to time until business is concluded. Special meetings of the board may be held at such time as the board may designate.

Sec. 4. LOCATION: The office of the said board shall be in the state capital, and in all legal proceedings against the board the said state capital shall be deemed to be the residence of members thereof.

Sec. 5. RULES: Said board may, from time to time, adopt such rules as may be necessary to enable it to carry into effect the provisions of this Act. Any member of said board may administer oaths in all matters pertaining to the duties of said board, and the board shall have authority to take evidence in any matter cognizable by it.

Sec. 6. DEFINITION OF PRACTICE: Any person shall be regarded as practicing medicine within the meaning of this Act who shall, within this state (a) by advertisement, or by notice, sign or other indication, or by any statement, printed, written or oral, in public or in private, made, done or procured by himself or herself, or any other, at his or her request, for him or her, claim, announce, make known or pretend his or her ability or willingness to diagnosticate, or prognosticate, any human diseases, ills, deformities, defects, wounds or injuries; (b) or who shall so advertise or make known or claim his or her ability or willingness to prescribe or administer any drug, medicine, treatment, method or practice, or to perform any operation or manipulation, or to apply any apparatus or application, for cure, amelioration, correction, reduction or modification of any human disease, ill, deformity, defect, wound or injury, for hire, fee, compensation or reward, promised, offered, expected, received or accepted, directly or indirectly; (c) or who shall, within this state, diagnosticate or prognosticate any human disease, ill, deformity, defect, wound or injury, for hire, fee, reward or compensation, promised, offered, expected, received or accepted, directly or indirectly; (d) or who shall within the state prescribe or administer any drug, medicine, treatment, method or practice, or perform any operation or manipulation, or apply any apparatus or appliance for the cure, alleviation, amelioration, correction, reduction or modification of any human disease, ill, deformity, defect, wound or injury, for hire, fee, compensation or reward, promised, offered, expected, received or accepted, directly or indirectly; (e) or who shall act as the agent of any person, firm or corporation, in the practice of medicine as hereinbefore set forth; (f) except it be in the adertisement or practice of dentistry, midwifery or pharmacy, or in the usual business of opticians, or of vendors of dental or surgical instruments, apparatus and appliances. Practicing medicine within the meaning of this Act is construed to include the practice of osteopathy.

Sec. 7. FORMS OF CERTIFICATES—REQUIREMENTS: Three forms of certificates shall be issued by said board under the seal thereof and signed by the president and the secretary; first, a certificate authorizing the holder thereof to practice medicine and surgery; second, a certificate authorizing the holder thereof to practice osteopathy; third, a certificate authorizing the holder thereof to practice any other system or mode of treating the sick or afflicted not referred to in this section.

In order to procure a certificate to practice medicine and surgery, the applicant [for such certificate] must file with said board, at least two weeks prior to a regular meeting [thereof], satisfactory testimonials of good moral character, and a diploma issued by some legally chartered medical school, the requirements of which shall have been, at the time of granting such diploma, in no particular less than those prescribed by the Association of American Medical Colleges for that year, or satisfactory evidence of having possessed such diploma; and he must also file with said diploma an application sworn to before some person authorized to administer oaths, stating that he is the person named in said diploma, that he is the lawful holder thereof and that the same was procured in the regular course of instruction and examination without fraud or misrepresentation. The said application shall be made upon a blank furnished by said board, and it shall contain such information concerning the medical instructions and the preliminary education of the applicant as said board may by rule provide. Applicants who have failed to meet the above requirements must be rejected. Applicants for a certificate to practice osteopathy shall be subject to the above regulation, except that in place of the diploma hereinbefore referred to, they shall be required to file a diploma from a legally chartered college of osteopathy, having a course of instruction of at least twenty months, requiring actual attendance, and after 1908, of three years of nine months each, and including the studies examined upon under this Act. Applicants for a certificate of treatment not in this Act referred to shall be subject to the above regulations, except that in place of the diplomas hereinbefore referred to, they shall be required to file a diploma from a legally chartered college of the system or mode of treatment which the applicant claims or intends to follow.

In addition to the requirements above set forth, all applicants for a certificate must be personally examined by said board as to their qualifications. The examination shall be conducted in the English language, shall be practical in character and designed to discover the applicant's fitness to practice his profession, and shall be, in whole or in part, in writing, on the following fundamental subjects, to wit: anatomy, histology, gynecology, pathology, bacteriology, chemistry and toxicology, physiology, obstetrics, general diagnosis, hygiene. Examinations in each subject shall consist of not less than ten questions, answers to which shall be marked upon a scale of zero to ten. All applicants must obtain not less than a general average of 75 per cent. and not less than 60 per cent. in any one subject. Applicants who can show at least ten years of reputable practice will be granted a credit of 5 per cent. on the general average, and 5 per cent. additional for each subsequent ten years of such practice. He must receive not less than 50 per cent. on any one subject.

The examination papers shall form a part of the records of the board and shall be kept on file by the secretary for a period of one year after each examination. In said examination the applicant shall be known and designated by number only, and the name attached to the number shall be kept secret until the board has finally voted upon the application. The secretary of the board shall in no instance participate as an examiner in any examination held by the board.

Sec. 8. FEES: Each applicant on making application shall pay to the secretary of the board a fee of twenty-five dollars, ($25), which shall be paid to the treasurer of the board by said secretary. In case the applicant's credentials are insufficient, or in case he does not desire to take the examination, the sum of ten dollars ($10) shall be retained, the remainder of the fee being returnable on application.

Sec. 9. OFFICIAL RECORDS: Said board shall keep an official record of all its proceedings, a part of which record shall consist of a register of all applicants for certificates under this Act, with the result of each applicant and examination. Said record shall be evidence of all the proceedings of said board which are set out therein.

Sec. 10. RECORDING CERTIFICATES: Every person holding a certificate authorizing him to practice medicine and surgery, or osteopathy, or any other system or mode of treating the sick or afflicted, in this state, must have it recorded in the office of the county recorder of the county in which the holder of said certificate is practicing his profession, and the fact of such recording shall be endorsed on the certificate by the county recorder recording the same. Every such person, on each change of his residence, must have his certificate recorded in the county to which he shall have changed his residence. The absence of such record shall be prima facie evidence of the want of possession of such certificate. Any person holding a certificate who shall practice medicine or surgery or osteopathy, or any other system or mode or treating the sick or afflicted, in this state, or who shall attempt to practice medicine or surgery or osteopathy, or any other system or mode of treating the sick or afflicted, in this state, without first having filed his certificate with the county recorder as herein provided, shall be deemed guilty of a misdemeanor and shall be punished by a fine of not less than twenty-five dollars ($25) nor more than one hundred dollars ($100) or by imprisonment for not less than thirty (30) days nor more than sixty (60) days, or by both such fine and imprisonment.

Sec. 11. COUNTY RECORD; The county recorder shall keep, in a book provider for the purpose, a complete list of the certificates recorded by him, with the date of the record; and said book shall be open to public inspection during his office hours.

Sec. 12. REVOCATION; UNPROFESSIONAL CONDUCT: Said board must refuse a certificate to any applicant guilty of unprofessional conduct; but before such refusal the applicant must be cited by citation, signed by the secretary of the board, and sealed with its seal. No such citation shall be issued except upon a sworn complaint filed with the secretary of the board, charging the applicant with having been guilty of unprofessional conduct, and setting forth the particular acts constituting such unprofessional conduct. On the filing of such complaint the secretary must forthwith issue a citation and make the same returnable at the next session of said board occurring at least thirty days next after filing the complaint. Such citation shall notify the applicant of the time and place, when and where the matter of said unprofessional conduct shall be heard, the particular unprofessional conduct with which the applicant is charged, and that the applicant shall file his written answer, under oath, within twenty days next after the service on him of said citation, or default will be taken against him and his application for a certificate be refused. The attendance of witnesses at such hearing shall be compelled by subpoena issued by the secretary of the board, under its seal; and said secretary shall in no case refuse to issue any such subpoena, upon a fee of twenty cents being paid him for such subpoena. Said citation and said subpoenas shall be served in accordance with the statutes of the state then in force as to service of citations and subpoenas generally, and all provisions of the statutes of this state then in force relating to subpoenas are hereby made applicable to the subpoenas provided for herein. If any person refuses to obey a subpoena served upon him in accordance with the statutes of this state then in force providing for the manner of serving subpoenas, the fact of such refusal shall be certified by the secretary of said board, under the seal thereof, to the superior court of the county in which the service was had, and said court shall thereupon proceed to hear said matter in accordance with the statutes of this state then in force as to contempts for disobedience of process of this court; and should said court find that the subpoena has been legally served, and that the party so served has wilfully disobeyed the same, it shall proceed to impose such penalty as provided in cases of contempt of court. In all cases of alleged unprofessional conduct arising under this Act, depositions of witnesses may be taken, the same as in civil cases, and all the provisions of the statutes of this state then in force as to the taking of depositions are hereby made applicable to the taking of depositions under this Act. If the applicant shall fail to file with the secretary of said board his answer, under oath, to the charges made against him within twenty days after service on him of said citation or within such further time as the board may give him, and the charges on their face be deemed sufficient by the board, default shall be entered against him, and his application refused. If the charges on their face be deemed sufficient by the board, and issue be joined thereon by answer, the board shall proceed to determine the matter and to that end shall hear such evidence as may be adduced before it; and if it appears to the satisfaction of the board that the applicant is guilty as charged, no certificate shall be issued to him. No certificate shall be refused on the ground of unprofessional conduct unless the applicant has been guilty of such conduct within two years next preceding his application. Whenever any holder of a certificate herein provided for is guilty of unprofessional conduct, as the same is defined in this Act, and the said unprofessional conduct has been brought to the attention of the board granting said certificate, in the manner hereinafter pointed out, or whenever a certificate has been procured by fraud or misrepresentation, or issued by mistake, it shall be their duty to, and they must, revoke the same at once, and the holder of said certificate shall not be permitted to practice medicine, surgery or oesteopathy, or any other system or mode of treating the sick or afflicted in this state. No such revocation shall be made unless such holder is cited to appear and the same proceedings are had as is hereinafter provided in this section in case of refusal to issue certificates. Said secretary, in all cases of revocation, shall enter on his register the fact of such revocation and shall certifiy the fact of such revocation, under the seal of the board to the county recorder of the county in which the certificate of the person whose certificate has been revoked has been recorded; and said recorder must thereupon write upon the margin or across the face of his register of the certificate of such person, the following: "This certificate was revoked on the.....day of.....," giving the day, month and year of such revocation in accordance with said certification to him by said secretary. The record of such revocation so made by said county recorder shall be prima facie evidence of the fact thereof, and of the regularity of all the proceedings of said board in the matter of said revocation. From the time of the revocation of a certificate the holder thereof shall be disqualified from practicing medicine or surgery, osteopathy, or any other system or mode of treating the sick or afflicted in this state.

The words "unprofessional conduct," as used in this Act, are declared to mean:

First: The procuring, or aiding or abetting in procuring, a criminal abortion.

Second: The wilful betrayal of a professional secret.

Third: All advertising of medical business which is intended, or has a tendency, to deceive the public or impose upon credulous or ignorant persons, and so be harmful or injurious to the public morals or safety.

Fourth: All advertising of any medicine or of any means whereby the monthly periods of women can be regulated or the menses reestablished if suppressed.

Fifth: Conviction of any offense involving moral turpitude, in which case the record of such conviction shall be conclusive evidence.

Sixth: Habitual intemperance in the use of alcohol or narcotic drugs.

Seventh: The personification of another licensed practicitioner of a like or different name.

Sec. 13. POWERS OF BOARD: Said board shall have the power to employ legal counsel and clerical assistance and to fix the salaries of the same and to incur such other expenses as may be deemed necessary to carry into effect the provisions of this Act. It shall also fix the salary of the secretary, not to exceed the sum of twelve hundred dollars ($1,200) per annum, and the sum to be paid to the other members of said board, not to exceed ten dollars ($10) per diem each, for each and every day of actual service in the discharge of official duties; and said board may, in its discretion, add to said sum necessary traveling expenses. The expense of said board, including the salary of secretary, shall not exceed the amount of fees collected by said board as herein provided. All money in excess of the actual expenses of the board shall be paid annually into the state treasury.

Sec. 14. PENALTIES: Any person who shall practice or attempt to practice, or advertise, or hold himself out as practicing, medicine or surgery, osteopathy, or any other system or mode of treating the sick or afflicted, as defined in this Act, in this state, without having, at the time of so doing, a valid, unrevoked certificate, as provided in this Act, shall be guity of a misdemeanor, and upon conviction thereof, shall be punished by a fine of not less than one hundred dollars ($100), nor more than five hundred dollars ($500), or by imprisonment for a term of not less than sixty (60) days, nor more than six (6) months, or by both such fine and imprisonment. In each such conviction of the fine shall be paid, when collected, to the state treasurer, and shall constitute a special fund for the prosecution of illegal practitioners as defined in this Act, the said fund to be paid to the said board upon warrants drawn therefor by its secretary, and the said board is authorized to prosecute all persons guilty of a violation of the provisions of this section.

Sec. 15. FRAUDULENT RECORD: Every person filing for record, or attempting to file fo record, the certificate issued to another, falsely claiming himself to be the person entitled to the same, shall be guilty of a felony, and upon conviction thereof, shall be subject to such penalties as are provided by the laws of this state for the crime of forgery.

Sec. 16: Any person assuming to act as a member of the State Board of Medical Examiners without so being a member or who shall sign or subscribe, or issue or cause to be issued, or seal, or cause to be sealed, a certificate authorizing any person to practice medicine or surgery, or osteopathy, or any other system or mode of treating the sick or afflicted, in this state, shall be guilty of a felony, and shall be punished by imprisonment in the state penitentiary for a term of not more than five years.

Sec. 17. WHO MAY PRACTICE: Any person who holds an unrevoked certificate from the Board of Medical Examiners created "by an Act to Amend an Act to Regulate the Practice of Medicine in Arizona," which was approved March 18, 1897, or from the board of examiners created under the provisions of Chapter 1, of Title 53, of the Revised Statutes of Arizona, 1901, or from the board of medical examiners created by an act of the legislative assembly of the Territory of Arizona, entitled "An Act to Regulate the Practice of Medicine," approved March 19, 1903, shall be entitled to practice medicine and surgery in this state the same as if such certificate has been issued under this Act, and any osteopath who has qualifications as set forth in Sec. 7, and who shall establish to the satisfaction of the board that he or she was actively engaged in practice in the state at the date of introduction of this bill shall be entitled to receive a certificate to practice osteopathy.

Sec. 18. EXEMPTION: Nothing in this Act shall be so construed as to inhibit service in the case of emergency, or to the domestic administration of family remedies; nor shall this Act apply to any commissioned medical officer in the United States Army, Navy, or Public Health Service, in the discharge of his official duties; nor to any licensed dentist when engaged exclusively in the practice of dentistry. Nor shall this Act apply to any practitioner from another state or territory, when in actual consultation with a licensed practitioner of this state, if such practitioner is, at the time of such consultation, a licensed practitioner of the state or territory in which he resides; provided, that such practitioner shall not open an office or appoint a place to meet patients or receive calls within the limits of this state. Nor shall this Act be construed so as to discriminate against any particular school of medicine or surgery or osteopathy, or any other system or mode of treating the sick or afflicted, or to interfere in any way with the practice of religion; provided, that nothing herein shall be held to apply to or to regulate any kind of treatment by prayer; and provided further, that all sanitary laws and regulations regarding contagious or infectious diseases, applicable to practitioners of medicine, shall be held to apply equally to the practice of any system or mode of treating the sick or afflicted.

Sec. 19. All acts or parts of acts in conflict with the provisions of this Act are hereby repealed.

Approved March 6, 1913.

Nostrums and Quackery

(Second Edition)

For some years *The Journal of the American Medical Association* has published articles, in its Propaganda for Reform department, dealing with quackery and the "patent-medicine" evil. All this matter was brought together, elaborated, freely illustrated and supplemented with additional information on the same subjects to make the book "Nostrums and Quackery."

This book is issued in a permanent and attractive form, bound in green cloth, stamped in gold. Seven hundred pages. Three hundred illustrations.

Price, $1.00 postpaid

The Great American Fraud

By Samuel Hopkins Adams

This is a reprint of a series of articles by Mr. Adams that appeared originally in *Collier's*. The first one came out in October, 1905; others followed at more or less frequent intervals during 1906 and 1907, and in 1912 the subject was again taken up.

This book is bound in stiff paper; one hundred and eighty-five pages; freely illustrated and with an extensive index.

Price, 25 cents, postpaid

Lantern Slides

These have been arranged in the form of what may be called an "automatic lecture" which can be used in any automatic projection apparatus (stereopticon). The "lecture" consists of illustrative slides and legend slides, the latter being interpolated between the former so as to tell the "story." These slides can, of course, be used by a lecturer in which case the speaker is able to elaborate on the material presented. The slides (standard American size, 3¼ by 4 inches, uncolored) may be purchased outright at 40 cents each (postage extra) or may be rented by physicians or by organizations interested in the public health.

Rules and Rates for Slide Rental.—When the entire set of sixty-two (62) slides is rented the charge is $1.00 a day. For less than the complete set the charge is 2 cents for each slide per day or fraction thereof. Rental commences the day the slides are shipped and terminates when the slides are received by us in return. No rental is charged for Sundays and legal holidays. One day's rental is allowed without charge when slides are to go to the 4th or 5th postal zones and two days' rental, when they go to the 6th, 7th or 8th zones. Transportation charges must be paid both ways by the renter, who also must be responsible for all breakage or loss while the slides are out of our possession. **Address all orders for rental:** Propaganda Department, American Medical Association, 535 North Dearborn St., Chicago, Ill.

MEDICAL PRACTICE LAW OF ARKANSAS

An Act

To Regulate the Practice of Medicine and Surgery, and Providing for the Appointment of Three Boards of State Medical Examiners, and Defining Their Duties.

Be it enacted by the General Assembly of the State of Arkansas.

Section 1. MEMBERS OF BOARD; HOW APPOINTED: That the medical examiners herein provided for shall consist of three boards: One of physicians and surgeons, recommended by "The Homeopathic Medical Society of Arkansas"; one of physicians and surgeons, recommended by "The Arkansas State Eclectic Medical Society Chiropractic Board" and one of physicians and Surgeons, recommended by "The Arkansas Medical Society."

There shall be seven (7) members of each board, appointed so as to have one member from each congressional district upon each board. The appointment shall be made by the governor from a list of names presented by the respective medical societies.

Sec. 2. VACANCIES: That the members first appointed on the boards shall be divided into two (2) classes, the first class to consist of four (4) members appointed for two (2) years, the second class of three (3) members shall be appointed for four (4) years, and thereafter all appointments shall be for four (4) years.

Vacancies in the said boards shall be filed as they occur by appointment from lists furnished as provided. No member shall be appointed for more than two terms in succession; and no member, or professor, or teacher in a medical college or school or university, having a medical department, shall be appointed upon the board.

Sec. 3. ORGANIZATION: Within thirty days after their appointments the respective boards shall meet and organize by electing a president, secretary and treasurer of their respective boards.

The treasurer of each of the said boards shall give bond in such amount as may be designated by the board, conditioned for the faithful disbursement of all moneys coming into his hands as such treasurer.

Each of the said boards shall have a common seal. The president and secretary shall have power to administer oaths for the purpose of this Act. The members of the boards shall, before entering upon the discharge of their duties, take the oath prescribed by the constitution of this state for state officers.

Sec. 4. MEETINGS: The said boards shall hold two regular stated meetings per year, to-wit: The second Tuesdays in May and November, at such places as a majority may agree upon, consulting the convenience of the boards and applicants for examination and certificate.

Sec. 5. TITLE OF BOARD: The boards shall be styled and known as the "Homeopathic Medical Board," the "Eclectic State Medical Board," and the "State Medical Board of the Arkansas Medical Society."

The "Homeopathic State Medical Board" shall examine all applicants who have graduated from homeopathic medical schools; the "Eclectic State Medical Board" shall examine all applicants who have graduated from the eclectic medical schools; and the "State Medical Board of Arkansas Medical Society" shall examine all other applicants.

The boards shall act separately and independently of each other, and wherever this Act refers to and defines the duties of the board, it shall be construed as referring to their acting separately, as well as independently of each other.

Sec. 6. WHO MAY PRACTICE: Each person now practicing medicine in this state shall, within ninety days after the passage of this Act, prepare a written statement, giving his name, postoffice address and county; when and where he received authority to practice medicine in this state; where his diploma or certificate is on record; and, if a diploma, from what school or medical college issued; such statement shall be sworn to before some officer authorized to administer oaths, and shall be forwarded to the secretary of the board representing his school of medicine.

If it shall appear from such statement that such person was regularly authorized to practice medicine under the then existing laws, the said board shall register the name of such person in their list of accredited physicians, and issue to such person a certificate that his name has been placed upon such list. If it shall appear from the statement that such person has not been legally authorized to practice medicine, or that his diploma is not from a reputable medical school or college, or, if from any other source of information, it shall appear that the statement is false, the board shall refuse to issue to such person a certificate, and shall notify such person in writing of their refusal and the reason therefor. If such person shall show to the satisfaction of the board by affidavits or otherwise that he has complied with the laws of this state regulating the practice of medicine, they shall in that event issue to him a certificate. Upon the failure of such person to make the proof required by this section, he shall, before continuing in the practice, make application and stand examination required by the following provisions of this Act.

Sec. 7. PENALTIES: Any person who shall wilfully and knowingly make any false statement to the board concerning his authority to practice medicine shall be deemed guilty of perjury and punished, as now provided by law for those found guilty, and may be indicted and tried for such offense, either in the county where the affidavit to such statement was made, or where such person resides.

Sec. 8. EXAMINATIONS: Every person residing in the state, or coming into it, of the age of twenty-one years, who has not heretofore been licensed to practice medicine under the existing laws, making application to register under the provisions of this Act for the purpose of practicing medicine in this state, shall first make application to the secretary of the board representing the school of medicine from which he graduated, and his application shall be accompanied by a fee of fifteen dollars ($15), this fee being for examination and registration before the boards. The applicant shall present to the board satisfactory evidence of graduation from a reputable medical school, and a school shall be considered reputable within the meaning of this Act whose entrance requirements and course of instruction are as high as those adopted by the better class of medical schools of the United States. Such examinations shall be written with ten questions on each branch and shall be of a practical character and conducted on the scientific branches only, and shall include anatomy, physiology, medical chemistry, materia medica, therapeutics, theory and practice of medicine, pathology, bacteriology. surgery, obstetrics, gynecology and hygiene. All questions and answers, with grades attached, shall be preserved by the secretary for one year. If, in the opinion of the board, the applicant possesses the necessary qualifications, the board shall issue to him a certificate.

The boards may, at their discretion, arrange for reciprocity in license with the authorities of states and territories having requirements equal to those established by the boards, and every person desiring license under reciprocity must make application to the secretary of the board representing the school of medicine from which he graduated.

License may be granted applicants for license under such reciprocity on payment of twenty-five dollars.

The boards may refuse to grant or may revoke a license for the following causes, to-wit:

(a) Chronic and persistent inebriety.

(b) The practice of criminal abortion, either as principal or abettor.

(c) Conviction of a crime involving moral turpitude.

(d) Publicly advertising special ability to treat or cure chronic and incurable diseases.

(e) The presentation to the board of any license, certificate or diploma which was illegally or fraudulently obtained, or the practice of fraud or deception in passing the examination. In complaints for violating the provisions of this section, the accused person shall be furnished with a copy of the complaint, and given a hearing before said board in person or by attorney, and any person after such refusing or revocation of license, who shall attempt and continue the practice of medicine, shall be subject to the penalties hereinbefore described.

Sec. 9. CERTIFICATE TO BE RECORDED: Every person receiving a certificate from the board, whether practicing now or hereafter licensed to practice, shall have such certificate recorded in the office of the county clerk where he is practicing or proposes to practice; and, when such person moves to another county for the purpose of continuing the practice of medicine, he shall file for record with the county clerk of the county to which he moves a certified copy of his certificate.

Sec. 10. TEMPORARY PERMITS: That to prevent delay and inconveniences any member of the board applied to, provided that the board applied to represents the school of medicine from which the applicant graduated, may grant a temporary permit to practice, upon the payment of the fee required for applicants, and after a satisfactory examination, such permit shall not continue in force longer than until the next regular meeting of the board, and shall not be granted for a longer period than two months in advance of the next regular and stated meeting of the board.

Sec. 11. PENALTIES: Every person who shall practice or shall attempt to practice medicine in any of its branches, or who shall perform or attempt to perform any surgical operation for any person, or upon any person within this state without first having complied with the provisions of this Act, shall be deemed guilty of a misde-

meanor, and upon conviction thereof shall be punished by a fine of not less than twenty-five dollars ($25) nor more than five hundred dollars ($500), or by imprisonment in the county jail for a period of not less than ten days nor more than ninety days, or by both fine and imprisonment, and each day of such practice shall constitute a separate offense.

Provided, however, that this shall not apply to persons now engaged in the practice of medicine until ninety days after the passage of this act, the time allowed them for securing their certificate.

Sec. 12. ITINERANTS: Any itinerant vendor of any drug, nostrum, ointment or application of any kind, intended for the treatment of disease or injury, or who may, by writing, print or other methods, profess to cure or treat diseases or deformity by any drug, nostrum, manipulation or other expedient, in this state, shall be deemed to be in violation of this law and punished as provided. This does not apply to persons who obtain certificates as herein provided.

Sec. 13. DEFINITION OF PRACTICE: Any person shall be regarded as practicing medicine, in any of its departments, within the meaning of this act, who shall append M.D. or M.B. to his name, or, repeatedly prescribe or direct for the use of any person or persons any drug or medicine or other agency for the treatment, cure or relief of any bodily injury, deformity or disease.

Provided, that nothing in this act shall be construed as to prevent any person from administering domestic remedies without receiving any compensation therefor, and nothing herein shall apply to the so-called midwives.

Sec. 14. COMPENSATION OF MEMBERS: The secretary of the board shall provide the board with blank books, certificates and such stationery as is necessary for the transaction of the business pertaining to their duties. All money received by the board shall be disbursed by the treasurer upon the warrant of the secretary countersigned by the president of the board.

The members of the board shall receive as a compensation for their services the sum of ten dollars ($10) per day for every day actually engaged in the discharge of their duties under this act, and the secretaries shall receive such additional salary as may be fixed and agreed upon by the boards.

The members of the boards shall pay their own traveling expenses and hotel bills. The members of the boards shall look to and be dependent entirely upon the fees provided herein for their compensation and all other expenses in connection with their duties.

It shall not be lawful for said boards, or any members thereof, in any manner whatever, or for any purpose, to charge or obligate the state for the payment of any money whatever. If, after paying all legitimate obligations of the board for stamps, printing, salary of secretary, etc., there should not be sufficient sums on hand to pay each member his per diem in full, the amount shall be prorated; but if at the end of the year there should be a greater revenue than sufficient to meet all obligations, such surplus shall remain in the treasury to be used in expenditures of the boards during the succeeding year.

Sec. 15. ANNUAL REPORTS: The boards shall annually file with the governor a report of their transactions during the year, giving the names of all to whom they have granted certificates during the year, naming the system of medicine practiced by each, and shall in such report show the amount of money received and from what source, the amount expended and for what purpose, and shall embody in their report any other matters or facts deemed expedient, and make such recommendations for the improvement of the practice of medicine in this state as may be deemed advisable.

If the boards shall have sufficient funds on hand to pay for same, they shall have said reports printed in pamphlet form and furnish each physician in this state with a copy thereof.

Sec. 16. ACT IN FORCE: All laws or parts of laws in conflict with this Act are hereby repealed, and this Act shall take effect and be in force 90 days after its passage.

Approved Feb. 17, 1903.

The Gant Law

Section 1. ADVERTISING OR SOLICITING; PROFESSIONAL SECRECY; PENALTIES: That any physician, surgeon or person engaged in the practice of medicine in the state, who shall, for the purpose of procuring patients, employ any solicitor, capper or drummer, or shall subsidize or employ any hotel or boarding-house, or advertise his business or remedies by untruthful or improbable statements made in his advertisements, circulars or cards, or who shall obtain any fee or compensation from any one by any assurance or promise that a manifestly incurable disease is curable, or who shall wilfully betray or expose any professional secret learned by him from his patient or patron to the detriment of such patron, or who shall become an habitual drunkard and continue the practice of medicine or surgery while such habitual drunkard, or administer any medicine or perform any operation while drunk, shall be deemed guilty of a misdemeanor, and on conviction be punished by a fine not less than twenty-five dollars ($25) and not more than two hundred dollars ($200), and by a revocation of his license to practice medicine and surgery, which revocation shall be adjudged and pronounced by the same court in which he is tried and convicted, and at the same time.

Sec. 2. CONVICTION OF CRIME; PENALTIES: That whenever any physician and surgeon, or person engaged in the practice of medicine or surgery in this state, shall be convicted of any crime or misdemeanor, involving moral turpitude, in addition to the other penalty or penalties imposed upon him shall be added a revocation of his license to practice medicine and surgery.

Sec. 3. ABORTION: That if any physician or surgeon or other person engaged in the practice of medicine shall commit the crime of abortion, or aid or abet in the commission thereof; provided, this section shall not apply to any abortion produced by any regular practicing physician for the purpose of saving the mother's life, he shall be adjudged guilty of a felony and punished by imprisonment in the state penitentiary for a period of not less than one year nor more than five years and his license to practice shall be revoked.

Sec. 4. That any physician or surgeon or person whose license to practice shall, on conviction under the provisions of this Act, have his license revoked, may appeal from the judgment of conviction, but shall not, pending the appeal, be permitted to practice either medicine or surgery, and if he does so practice, or attempts or offers to so practice pending the appeal, he shall be punished in the same manner and to the same extent as if he had never had any license to practice.

Sec. 5. That, after the expiration of one year from the date of the revocation of the license of any physician and surgeon, under this Act, he may appeal to the proper medical board for a new license, and may be relicensed, if he shall satisfy the board that he is qualified, has reformed and is worthy.

Sec. 6. That all laws and parts of laws in conflict herewith are hereby repealed, and this Act shall take effect and be in force from and after its passage.

Approved Feb. 17, 1903.

THE SOUTHERN SIERRAS SANATORIUM
of BANNING, CALIFORNIA

is situated in a mountain pass which marks the eastern extent of the orchard valleys of California as well as the beginning of the great Southwest desert of the United States.

The latter predominating gives it a desert climate, but a desert climate tempered by cool breezes which drift in during every season of the year from the sea coast, 90 miles away.

This very unique condition gives an "all-the-year" climate, in the DESERT, at a favorable altitude.

THE HYDROPATHIC DEPARTMENT is especially built for, and devoted to, the treatment of general diseases excluding, however, surgical and infectious diseases. Special attention is given to the treatment of nervous diseases of the functional and organic type. Our laboratory is equipped for the study of secretions and excretions. A modern X-ray department is also available.

THE COTTAGE DEPARTMENT (For Mental Patients). This department is some distance away from the Hydropathic Department and has its own facilities for Hydropathic and other treatment. It consists of a number of cottages, some of them for individual patients, offering the very utmost in privacy and comfort. The cottage system permits homelike surroundings and segregation of patients in accordance with conduct.

GENERAL FEATURES

1. Climatic advantages not excelled in the U. S.
2. Beauty of the grounds and of the neighboring canyons and mountainous country.
3. Facilities for indoor and outdoor gymnastics under the charge of an athletic director.
4. An excellent occupational department providing occupation and diversion for every variety of nervous and mental patient.
5. Well trained and large medical and nursing staff so that careful attention is given to each patient.
6. Rates (inclusive of medical care, hydropathic and massage treatments, also general nursing) $45.00 per week and upward.

To amend sections two, eight, nine, ten, eleven, twelve, twelve and one-half, thirteen, fourteen, fifteen, seventeen, eighteen and twenty of an act entitled "An act to regulate the examination of applicants for license, and the practice of those licensed to treat diseases, injuries, deformities, or other physical or mental conditions of human beings; to establish a board of medical examiners, to provide for their appointment and prescribe their powers and duties, and to repeal an act entitled "An act for the regulation of the practice of medicine and surgery, osteopathy, and other systems or modes of treating the sick or afflicted, in the State of California, and for the appointment of a board of medical examiners in the matter of said regulation, approved March 14, 1907, and acts amendatory thereof, and also to repeal all other acts and parts of acts in conflict with this act," approved June 2, 1913, as amended by an act to amend an act entitled "An act to amend an act entitled 'An act to regulate the examination of applicants for license, and the practice of those licensed, to treat diseases, injuries, deformities, or other physical or mental conditions of human beings; to establish a board of medical examiners, to provide for their appointment and prescribe their powers and duties, and to repeal an act entitled "An act for the regulation of the practice of medicine and surgery,. osteopathy and other systems and modes of treating the sick or afflicted in the State of California, and for the appointment of a board of medical examiners in the matter of said regulation," approved March 14, 1907, and acts amendatory thereof, and also to repeal all other acts and parts of acts in conflict with this act,' approved June 2, 1913, by amending sections two, three, four, five, eight, nine, ten, eleven, twelve, thirteen, fourteen, seventeen and eighteen, and adding a new section thereto to be numbered twelve and one-half relating to the practice of chiropody," approved April 24, 1915, and to add a new section thereto to be numbered twenty-four, relating to the practice midwifery, providing the method of citing said act and providing penalties for the violation thereof.

The people of the State of California do enact as follows:

Section 1. BOARD OF MEDICAL EXAMINERS: A board of medical examiners to consist of ten members, and to be known as the "Board of Medical Examiners of the State of California," is hereby created and established. The governor shall appoint the members of the board, each of whom shall have been a citizen of this state for at least five years next preceding his appointment. Each of the members shall be appointed from among persons who hold licenses under any of the medical practice acts of this state. The governor shall fill by appointment all vacancies on the board. The term of office of each member shall be four years; provided, that of the first board appointed, three members shall be appointed for one year, two for two years, two for three years and three for four years, and that thereafter all appointments shall be for four years, except that appointments to fill vacancies shall be for the unexpired term only. No person in any manner owning any interest in any college, school or institution engaged in medical instruction shall be appointed on the board, nor shall more than one member of the board be appointed from the faculty of any one university, college, or other educational institution. The governor shall have power to remove from office any member of the board for neglect of duty required by this act, for incompetency, or for unprofessional conduct. Each member of the board shall, before entering upon the duties of his office, take the constitutional oath of office.

Sec. 2. ORGANIZATION: The board shall be organized on or before the first Tuesday of September, 1913, by electing from its number a president, vice-president and a secretary (who shall also be the treasurer), who shall hold their respective positions during the pleasure of the board. The board shall hold one meeting annually beginning on the third Monday in October in the city of Sacramento and at least two additional meetings annually, one of which shall be held in the city of Los Angeles and the other in the city of San Francisco, with power of adjournment from time to time until its business is concluded; provided, however, that examinations of applications for certificates may, in the discretion of the board, be conducted in any part of the state designated by the board. Special meetings of the board may be held at such time and place as the board may designate. Notice of each regular or special meeting shall be given twice a week for two weeks next preceding each meeting in one daily paper published in the city of San Francisco, one published in the city of Sacramento, and one published in the city of Los Angeles, which notice shall also specify the time and place of holding the examination of applicants. The secretary of the board upon an authorization from the president of the board or the chairman of a committee, may call meetings of any duly appointed committee of the board at a specified time and place and it shall not be necessary to advertise such committee meetings. The board shall receive through its secretary applications for certificates provided to be issued under this act and shall, on or before the first day of January of each year, transmit to the governor a full report of all its proceedings together with a report of its receipts and disbursements. The board shall on or before the first day of January of each year, compile and thereafter publish and sell a complete directory giving the addresses of all persons within the State of California who hold unrevoked licenses to practice under any medical practice act of the state of California, which license shall in any manner authorize the treatment of human beings for diseases, injuries, deformities, or any other physical or mental conditions. The board is hereby authorized to require said persons to furnish such information as it may deem necessary to enable it to compile the directory. The directory shall contain in addition to the names and addresses of said persons, the names and symbols indicating the title, name or names, school or schools, which such person has attended and from which graduated, the date of issuance of the license, the present residence of said person and a statement of the form of certificate held. The directory shall be prima facie evidence of the right of the person or persons named therein to practice. It shall be the duty of every person holding a license to practice under any medical act of this state, or who may hereafter be so licensed to practice, to report immediately each and every change of residence, giving both the old and the new address.

To comply with the provisions of this section relating to the compilation, publication and sale of a directory in addition to the fee required for the filing of any application, or the issuance of any certificate hereinafter provided for, each licentiate granted a certificate under the provisions of this act, or any preceding medical practice act of the state of California, shall, on or before the first day of January of each year, pay to the secretary-treasurer of the Board of Medical Examiners an annual tax and registration fee of two dollars ($2.00). Receipt or acknowledgment of payment by the secretary-treasurer shall be evidence that the holder and possessor of such certificate is entitled to practice the particular system for which he was granted such certificate for a period of one year from the first day of January; but notwithstanding the possession by any certificate holder of such receipt or acknowledgement of payment, the license or certificate issued to such licentiate to practice any system recognized by this or any preceding medical practice act of the state of California, may, at any time, be forfeited or revoked for a violation of the further provisions and requirements of this Act. The failure, neglect and refusal of any person holding a license or certificate to practice a system under this or any preceding medical practice act of the state of California, to pay said annual tax of two dollars ($2.00) during the time his or her license remains in force, shall, after a period of sixty days from the first day of January of each year, ipso facto, work a forfeiture of his or her license or certificate, and it shall not be restored except upon the written application therefor, and the payment to the said board of a fee of ten dollars ($10.00) except that such licentiate who fails, refuses or neglects to pay such annual tax within a period of sixty days after the first day of January of each year shall not be required to submit to an examination for the reissuance of such certificate. It shall be the duty of the executive officer herein designated as the secretary-treasurer of said Board of Medical Examiners to mail to the last known address of each licentiate who has paid said annual tax a copy of the said directory, and all new issues thereof and copies of all supplements thereto. The receipts of the said annual tax referred to herein shall be paid into the contingent fund of the Board of Medical Examiners of California, and after the expenses of issuing said directories have been paid, in the event that there shall be a surplus of such funds, the board may from time to time, in its discretion, apply said surplus for any other expenses incurred by the board under the provisions of this act.

Sec. 3. OFFICE: The office of the board shall be in the city of Sacramento. Sub-offices may be established in Los Angeles and San Francisco and such records as may be necessary may be transferred temporarily to such sub-offices. Legal proceedings against the board may be instituted in any one of said three cities.

Sec. 4. POWERS: The board may from time to time adopt such rules as may be necessary to enable it to carry into effect

the provisions of this Act. It shall require the affirmative vote of seven members of said board to carry any motion or resolution, to adopt any rules, to pass any measure, or to authorize the issuance of any certificate as in this Act provided. Any member of the board may administer oaths in all matters pertaining to the duties of the board, and the board shall have authority to take evidence in any matter cognizable by it. The board may in its discretion appoint or designate any qualified and competent person or persons to give the whole or any portion of any examination as provided in this Act; such person or persons need not be a member of the Board of Medical Examiners and shall be designated as a commissioner on examination and shall be subject to the same rules and regulations and entitled to the same fee and remuneration as if a member of the board. The board shall keep an official record of all its proceedings, a part of which record shall consist of a register of all applicants for certificates under this Act, together with the action of the board upon each application.

Sec. 5. AUTHORITY TO PROSECUTE: The board is authorized to prosecute all persons guilty of violation of the provisions of this Act. It shall have the power to employ legal counsel for such purpose, and may also employ inspectors, special agents and investigators and such clerical assistance as it may deem necessary to carry into effect the provisions of this Act. The board may fix the compensation to be paid for such service and may incur such other expenses as it may deem necessary. It shall also fix the salary of the secretary, not to exceed the sum of three thousand dollars ($3,000) per annum, and the sum to be paid to other members of the board, not to exceed ten dollars ($10) per diem each, for each and every day of actual service in the discharge of official duties; such service to include the attendance at special meetings of the board and committee meetings of the board and while actively engaged in the review of examination papers, based upon one per diem for each thirty papers or fraction thereof. Each member of the board shall make an affidavit before some duly authorized person in the state of California that such service has been actually performed; and the board may in its discretion add to said sum necessary traveling expenses.

Sec. 6. FUND: All fees collected on behalf of the Board of Medical Examiners, and all receipts of every kind and nature, shall be reported at the beginning of each month, for the month preceding, to the state controller, and at the same time the entire amount of such collections shall be paid into the state treasury, and shall be credited to a fund to be known as the Board of Medical Examiners' contingent fund, which fund is hereby created. Such contingent fund shall be for the uses of the Board of Medical Examiners and out of it shall be paid all salaries and all other expenses necessarily incurred in carrying into effect the provisions of this Act. An amount not to exceed one thousand dollars ($1,000) may be drawn from the contingent fund herein created, to be used as a revolving fund where cash advances are necessary; but expenditures from such revolving fund must be substantiated by vouchers and itemized statements at the end of each fiscal year, or at any other time when demand therefor is made by the board of control.

Sec. 7. FEES: Every applicant for a certificate shall pay to the secretary of the board a fee of twenty-five dollars ($25), which shall be paid to the treasurer of the board by said secretary. In case the applicant's credentials are insufficient or in case he does not desire to take the examination, the sum of ten dollars ($10) shall be retained, the remainder of the fee being returnable on application.

Sec. 8. FORMS OF CERTIFICATE: Four forms of certificates shall be issued by said board under the seal thereof and signed by the president and secretary; first, a certificate authorizing the holder thereof to use drugs or what are known as medicinal preparations in or upon human beings and to sever or penetrate the tissues of human beings and to use any and all other methods in the treatment of diseases, injuries, deformities, or other physical or mental conditions, which certificate shall be designated "physician and surgeon certificate"; second, a certificate authorizing the holder thereof to treat diseases, injuries, deformities, or other physical or mental conditions without the use of drugs or what are known as medicinal preparations and without in any manner severing or penetrating any of the tissues of human beings except the severing of the umbilical cord, which certificate shall be designated "drugless practitioner's certificate"; third, a certificate authorizing the holder thereof to practice chiropody. For the purpose of this Act chiropody is defined to be the surgical treatment of abnormal nails and superficial excrescences occurring on the feet, such as corns, callosities, and the treatment of bunions; but it shall not confer the right to operate upon the feet for congenital or acquired deformities, or for conditions requiring the use of anesthetics other than local, or incisions involving structures below the level of the true skin. Fourth, a certificate to practice midwifery, which shall be in the form designated by the board and in conformity with this Act. Such certificate shall entitle the holder thereof to attend cases of childbirth. As used in this Act, the practice of midwifery means the furthering or undertaking by any person to assist a woman in normal childbirth, but it does not include at any childbirth the use of any instrument, except such instrument as is necessary in severing the umbilical cord, nor the assisting of childbirth by any artificial, forcible or mechanical means, nor the performance of any version, nor the removal of adherent placenta, nor the administering, prescribing, advising or employing in childbirth of any drug, other than a disinfectant or cathartic. The provisions hereof shall not authorize any midwife to practice medicine and surgery. A "reciprocity certificate" shall also be issued under the provisions hereinafter specified. Any of these certificates on being recorded in the office of the county clerk, as hereinafter provided, shall constitute the holder thereof a duly licensed practitioner in accordance with the provisions of his certificate.

Sec. 9. QUALIFICATIONS OF APPLICANTS: Every applicant must file with the board at least two weeks prior to the regular meeting thereof, satisfactory testimonials of good moral character, and a diploma or diplomas issued by some legally chartered school or schools approved by the board, the requirements of which school or schools shall have been at the time of granting such diploma or diplomas in no degree less than those required under this Act, or satisfactory evidence of having possessed such diploma or diplomas, and must file an affidavit stating that he is the person named in said diploma or diplomas, and that he is the lawful holder thereof, and that the same was procured in the regular course of instruction and examination without fraud or misrepresentation; provided, that in addition thereto, each applicant for a "physician and surgeon certificate" must show that he has attended four courses of study, each such course to have been of not less than thirty-two weeks' duration, but not necessarily pursued continuously or consecutively, and that at least ten months shall have intervened between the beginning of any course and the beginning of the preceding course; provided, further, than an applicant for a "drugless practitioner certificate" must show that he has attended two courses of study, each such course to have been of not less than thirty-two weeks' duration, but not necessarily pursued continuously or consecutively, and that at least ten months shall have intervened between the beginning of any course and the beginning of the preceding course; the course in chiropody is to consist of not less than thirty-nine weeks consisting of not less than six hundred sixty-four hours. Provided, further, that an applicant for a certificate to practice midwifery must show that the applicant has attended a one-year course in a hospital recognized as reputable by the board, and that a course of instruction in anatomy, physiology, obstetrics and hygiene and sanitation as set forth in section ten hereof has been taken, covering a period of one year; provided, further, that in lieu thereof, an applicant who can submit satisfactory proof of the possession of a diploma from a recognized reputable hospital, and who in addition thereof has attended a course of instruction in the subjects enumerated in section ten hereof and satisfactory proof that such instruction has been taken covering a period of at least three months; and provided, further, that in lieu thereof an applicant may present proof satisfactory to the board that the applicant has taken a course of instruction, with the minimum requirements as designated in section ten, of any school or schools approved by the board as giving a course of instruction in said subjects for a certificate to practice medicine and surgery; provided, also, that before July 1, 1918, in lieu of the diploma or diplomas and preliminary requirements herein referred to, where the applicant can show to the satisfaction of the Board of Medical Examiners that he has taken courses hereinafter required in a school or schools approved by the board totaling for applicants for "drugless practitioner certificate" not less than sixty-four weeks consisting of not less than two thousand hours, and for "physician and surgeon certificates" totaling not less than one hundred twenty-eight weeks consisting of not less than four thousand hours, it being required that all applicants shall have received passing grades in all such courses, that the applicant or applicants shall be admitted to examination for their respective form of certificates.

The said application shall be made upon a blank furnished by said board and it shall contain such information concerning the medical instruction and the preliminary education of the applicant as the board may by rule prescribe. In addition to the requirements hereinabove provided for applicants for either form of certificate hereunder shall present to said board at the time of making such application a diploma from a California high school or other school in the state of California requiring and giving a full four years' course of same grade, or other schools elsewhere, requiring and giving a full four years' standard high school course or its equivalent, approved by the board, together with satisfactory proof that he is the lawful holder of such diploma and that the same was procured in the regular course of instruction. The passing of an examination before the entrance examining board for the entrance to the academic department of the University of California or Stanford University of the University of Southern California, or the possession of documentary evidence of admission to the academic department of such institutions as a regular student or in full standing shall be sufficient basic or preliminary educational qualifications. In lieu of such diploma, the applicant may present: (1) a certificate from the college entrance examination board, or the college examining board of any state or territory showing that such applicant has successfully passed the examination of said board; or (2) if such applicant be thirty years or more of age he may show to the satisfaction of the Board of Medical Examiners proof of preliminary education equivalent in training power to the foregoing requirements. After Jan. 1, 1919, every applicant for a "physician and surgeon certificate" shall in addition to the foregoing requirements present to the board satisfactory evidence that before beginning the last half of the second year in the study of medicine he has completed a course which includes at least one year of work, of college grade, in each of the subjects of physics, chemistry and biology.

The preliminary or basic educational requirements for a chiropodist shall be as follows: On and after July 1, 1915, the successful completion of one year of high school work or its equivalent; on and after July 1, 1918, two years of high school work or its equivalent; on and after July 1, 1920,

three years of high school work or its equivalent; on and after July 1, 1922, four years of high school work or its equivalent.

The preliminary or basic educational qualifications for an applicant to practice midwifery in this state shall be the completion of one year of high school work or its equivalent, and after October, 1918, the presentation to the board of a diploma from a California high school giving a full four years' standard high school course or its equivalent.

Sec. 10½. The board must approve every school which shall comply with the requirements of section ten of this act and must admit to the examination every applicant who shall comply with the requirements of sections nine and ten of this act. Nothing in this act shall prohibit the board from considering the quality of the course of instruction outlined in section ten hereof. If any school should be disapproved by the board or any applicant for examination rejected by it, then such school so disapproved or such applicant so rejected may commence an action in the superior court against said board to compel the board to approve such school or to admit such applicant to examination or for any other appropriate relief. In any such action, the court shall have full power to investigate and decide all facts anew without regard to any previous determination of the board thereon. Such action shall be speedily determined by said court and shall take precedence over all matters pending therein save and except criminal cases, applications for injunction or other matters to which special precedence may be given by law.

[Amended May 27, 1919.]

Sec. 11. In addition to above requirements, all applicants for "physician and surgeon certificates" must pass an examination to be given by the board in the following subjects:

1. Anatomy and histology.
2. Physiology.
3. Bacteriology and pathology.
4. Chemistry and toxicology.
5. Obstetrics and gynecology.
6. Materia medica and therapeutics, pharmacology, including prescription writing.
7. General medicine, including clinical microscopy.
8. Surgery.
9. Hygiene and sanitation.

All applicants for "drugless practitioner certificates" must pass an examination in the following subjects:

1. Anatomy and histology.
2. Physiology.
3. General diagnosis.
4. Pathology and elementary bacteriology.
5. Obstetrics and gynecology.
6. Toxicology and elementary chemistry.
7. Hygiene and sanitation.

Provided, That a person who holds a "drugless practitioner certificate" issued upon satisfactory proof of the course of instruction and minimum requirements demanded in Sec. 10 hereof and who presents evidence of having successfully completed the additional courses required for the "physician and surgeon certificate" as hereinbefore provided, shall be permitted to take his examination in subjects required for a "physician and surgeon certificate" without being reexamined in "drugless practitioner" subjects.

The subjects for such examination shall be:

1. Advanced chemistry.
2. Advanced bacteriology.
3. Surgery.
4. Materia medica and therapeutics, pharmacology, including prescription writing.
5. General medicine, including clinical microscopy.

All applicants for a certificate to practice chiropody must pass an examination in the following subjects:

1. Anatomy and histology.
2. Physiology, chemistry and hygiene.
3. Pathology and bacteriology.
4. Dermatology and syphilis.
5. Orthopedics and surgery.
6. Chiropody and therapeutics.

All applicants for a certificate to practice midwifery must pass an examination in the following subjects:

1. Anatomy and physiology.
2. Obstetrics.
3. Hygiene and sanitation.

All examinations shall be practical in character and designed to ascertain the applicant's fitness to practice his profession, and shall be conducted in the English language, and at least a portion of the examination in each of the subjects shall be in writing. The board in its discretion upon the submission of satisfactory proof from the applicant that he is unable to meet the requirements of the examination in the English language, may allow the use of an interpreter either to be present in the examination room or to thereafter interpret and transcribe the answers of the applicant. The selection of such interpreter is to be left entirely to the board and the expenses thereof to be borne by the applicant, the payment therefor to be made before such examination is held. There shall be at least ten questions on each subject, the answers to which shall be marked on a scale of zero to one hundred. Each applicant must obtain no less than a general average of 75 per cent., and not less than 60 per cent. in any two subjects; provided, that any applicant shall be granted a credit of 1 per cent. upon the general average for each year of actual practice since graduation; provided, further, that any applicant for "physician and surgeon certificate" obtaining seventy-five (75) per cent. each in seven subjects, and any applicant for "drugless practitioner certificate" obtaining seventy-five (75) per cent. each in five subjects and an applicant for a certificate to practice chiropody obtaining over seventy-five (75) per cent. in seven subjects, and an applicant for a certificate to practice midwifery obtaining seventy-five (75) per cent. in one subject, shall be subsequently reexamined in those subjects only in which he failed, and without additional fee.

Any person who at any time prior to Jan. 1, 1916, shall pay to the secretary of said board the fee of $25.00 and submits satisfactory proof of good moral character and of a resident one-year course of not less than 1,000 hours in a legally chartered school approved by the board and satisfactory proof of three years of actual practice of a drugless system in the healing art, such three years of actual practice to have been in the state of California, shall be admitted to the drugless practitioner examination: provided, however, that in the event of a license being granted to such applicant he will not be eligible thereafter for the physician's and surgeon's certificate without a full and complete compliance with the terms and provisions of Sections 9 and 10 hereof. Anyone who shall pay the fee of $50.00 to the secretary of the board prior to Jan. 1, 1916, and submits to the board satisfactory proof of good moral character and proof of six years' actual practice of a drugless system of healing art, three years of which must have been in the state of California, and satisfactory proof of a resident one-year course of not less than 1,000 hours in a legally chartered school approved by the board, and upon proof of competency in a drugless system may be granted a certificate to practice a drugless system in this state; provided, how-

ever, that such licensee shall not be permitted to take the physician's and surgeon's examination without a full and complete compliance with the terms of Sections 9 and 10 hereof.

The examination papers shall form a part of the records of the board, and shall be kept on file by the secretary for a period of one year after each examination. In said examination the applicant shall be known and designated by number only, and the name attached to the number shall be kept secret until after the board has finally voted upon the application. The secretary of the board shall in no instance participate as an examiner in any examination held by the board. All questions on any subject in which examination is required under this Act shall be provided by the Board of Medical Examiners upon the morning of the day upon which examination is given in such subject, and when it shall be shown that the secretary or any member of the board has in any manner given information in advance of or during examination to any applicant it shall be the duty of the governor to remove such person from the Board of Medical Examiners, or from the office of secretary.

All certificates issued hereunder must state the extent and character of practice which is permitted thereunder and shall be in such form as shall be prescribed by the board.

Sec. 12. MEDICAL OFFICERS OF U. S. ARMY AND NAVY: Any medical director, medical inspector, passed assistant surgeon, or assistant surgeon of the United States Navy, honorably discharged or temporarily detached, or placed upon the retired list without being discharged, or on active duty, from the medical department of the United States Navy, or who by resignation has honorably severed all connection with the service, and any surgeon of the United States Army, honorably discharged, or temporarily detached or placed upon the retired list without being discharged, or on active duty, from the medical department of the United States Army, or who by resignation has honorably severed all connection with the service, and any commissioned officer, viz.: surgeon general, assistant surgeon general, senior surgeon, surgeon, passed assistant surgeon and assistant surgeon of the United States Public Health Service on active duty with such service temporarily detached or who has honorably severed all connection with the United States Public Health Service, is hereby authorized to practice medicine and surgery within the state of California, by filing a sworn copy of his discharge, if he be discharged, or of the order temporarily detaching him or the order placing him upon the retired list, with the State Board of Medical Examiners or by proving to the satisfaction of the board that by resignation he has honorably left the service of either the Army or Navy, and paying said board a fee of fifty dollars ($50); provided, that when it appears to the satisfaction of the board, that in the year in which the applicant was appointed or commissioned in the United States Army, Navy or Public Health Service, that the requirements of such service for such appointment or commission were in any degree or particular less than those which were required for the issuance of a similar certificate to practice in California at the date of such issuance, then the board in its discretion may refuse to issue such certificate; provided further, that the provisions of this section shall not apply to any contract surgeon in the United States Army, Navy or Public Health Service, and shall not apply to any officer of the medical reserve corps of said Army, Navy or Public Health Service.

Sec. 12½. CHIROPODY: Any person who at any time within ninety days from and after the passing of this Act shall pay to said board the registration fee of fifty dollars ($50), as herein provided, and furnish to said board satisfactory proof of the fact that such applicant has been actually engaged in the practice of chiropody in the state of California for the period of one year prior to July 1, 1915, and that such applicant possesses a good moral character and competency in the practice of chiropody, shall be entitled to practice chiropody, and said board must issue to him a chiropody certificate.

Any person who at any time within one hundred and eighty days from and after the passing of this Act shall pay to said board the registration fee of twenty dollars ($20) as herein provided, and furnish to said board satisfactory proof that such applicant has been actually engaged in the practice of midwifery in the state of California for at least a period of one year, and that such applicant possesses a good moral character and competency in the practice of midwifery, shall be entitled to practice midwifery, and said board must issue to such applicant a midwifery certificate.

The actual practice referred to herein shall consist in satisfactory proof that the applicant has attended at least twenty-five cases of labor and has had the care of at least twenty-five mothers and new-born infants during the lying-in period. The lying-in period referred to herein shall consist of a period of ten days following delivery. The good moral character referred to herein shall be evidenced by the certificates of two physicians and surgeons or practitoners licensed under this or any preceding medical practice act of this state, and the certificate of one layman, preferably a clergyman, priest, rabbi or recognized minister of the gospel. The competency referred to herein shall be evidenced by affidavits of reputable citizens preferably physicians of the vicinity wherein the applicant has recently resided. The board, however, may disregard such certificates and in its discretion may give an oral, practical or clinical examination. The proof of the attendance and completion of the twenty-five cases of labor referred to herein shall be evidenced, if the board shall so require of any applicant by the submission of the name of the mother, and a reference to the birth certificate required under the law. The board shall have the power to disregard the certificates of moral character referred to herein and may order that an investigation under the direction of the board be held upon the moral character of the applicant. If the said investigation should result in an adverse report to applicant, the applicant shall be entitled to a hearing before said board and after such hearing the board shall be the judges of the moral fitness of the applicant to receive a certificate to practice midwifery. In the event that a certificate to practice midwifery shall not be granted under the provisions of this section, the applicant will be entitled to a refund of ten dollars ($10). Any person who files an application for a "physician and surgeon certificate" two weeks prior to a regular or special meeting, and who submits satisfactory proof to the board that the applicant has been licensed to practice osteopathy under the provisions of an Act entitled "An act to regulate the practice of osteopathy in the state of California, and to provide for state board of osteopathic examiners, and to license osteopaths who practice in this state, and to punish persons violating the provisions of this Act," which became a law under constitutional provision without the governor's approval March 9, 1901, or who submits satisfactory proof that the applicant has been licensed to practice osteopathy under an Act entitled "An Act to provide for the regulation of the practice of medicine and surgery, osteopathy and other systems or modes of treating the sick or afflicted in the state of California, and for the appointment of a board of medical examiners in the matter of said regulation," approved March 14, 1907, and who submits satisfactory testimonials of good moral character and a diploma or diplomas issued by some legally chartered school or schools approved by the board, or satisfactory evidence of having possessed such diploma or diplomas and that he is the lawful holder thereof, and that the same was procured in the regular course of instruction and examination without fraud or misrepresentation, and that the applicant has complied with the provisions of Sections 9, 10 and 11 of this Act, may be granted an oral, practical or clinical examination for the "physician and surgeon certificates"; provided, that the board must accept in lieu thereof the educational qualifications enumerated in this section or in Sections 9, 10 and 11 of this Act satisfactory proof to the board of actual practice in the system of treatment known and designated as osteopathy for a period of four years, and upon the presentation of such proof the applicant will be entitled to an oral, practical or clinical examination for a "physician and surgeon certificate." The fee for filing such application shall be twenty-five dollars ($25), fifteen dollars ($15) to be returned to the applicant in the event that a certificate is not issued under the provisions hereof.

Sec. 13. LICENSE BY RECIPROCITY: Said board must also issue a certificate to practice a system or mode of treating the sick or afflicted recognized by this Act or any preceding practice act in the state of California to any applicant without examination, authorizing the holder thereof to practice a system or mode of treating the sick or afflicted in the state of California upon payment of a registration fee of one hundred dollars ($100) upon the following terms thereof, viz: The applicant shall produce a certificate entitling him to practice a system or mode of treating the sick or afflicted, as provided in this Act or any preceding act of the state of California, issued either by the Medical Examining board, or by any other board or officer authorized by the law to issue a certificate entitling such applicant to practice a system or mode of treating the sick or afflicted, either in the District of Columbia, or in any state or territory of the United States, or if such certificate shall have been lost, then a copy thereof, with proof satisfactory to the Board of Medical Examiners of the state of California that the copy is a correct copy. Said certificate must not have been issued for such applicant prior to the first day of August, 1901, and the requirements from the college from which such applicant may have graduated, and the requirements of the board which was legally authorized to issue such certificate permitting such applicant to practice a system or mode of treating the sick or afflicted shall not have been, at the time such certificate was issued, in any degree or particular less than those which were required for the issuance of a similar certificate to practice a system or mode of treating the sick or afflicted in the state of California at the date of the issuance of such certificate, or which may hereafter be required by law and which may be in force at the date of the issuance of any such certificate; and provided, further, that said applicant shall also furnish from the board which issued said certificate evidence satisfactory to the Board of Medical Examiners of the state of California, showing what the requirements were of the college, and of the board issuing such certificate, at the date of such issuance. If, after an examination of such certificate, and the production on the part of the applicant of such further reasonable evidence of the said requirements as may be deemed necessary by the Board of Medical Examiners of the state of California, and any other or further examination or investigation which said board may see fit to make, on its own part, it shall be found that the requirements of the board issuing such certificate were, when said certificate was issued, in any degree or particular less than the requirements provided by the laws of the state of California, at the date of the issuance of such certificate, and that the applicant has not been a resident of the state from which the application is based for a period of one year subsequent to the issuance of such certificate, he will not be entitled to practice within the state of California without an examination. An oral examination shall not be deemed to be of equal merit with a written examination and no certificate shall be issued in the case where a written examination was given in California and an applicant was given an oral examination in another state at the same time. The board is hereby authorized to enter into a contract or contracts of reciprocity with other states wherein the standard of such states is not in any degree or particular less than were the requirements in the state of California in the same year, for the issuance

of a certificate to practice a system or mode of treating the sick or afflicted, such certificate to be similar in scope of practice as the certificate issued in the other state; provided, however, that an application based upon a certificate to practice any system or mode of treating the sick or afflicted issued in the District of Columbia or in any state or territory prior to March 4, 1907, if refused or denied by reason of the insufficiency of the standard of such state or territory, then such applicant may have the privilege of either a written or oral examination before the board at the option of the applicant. Any person may file an application with the said board to practice medicine and surgery within the state of California, in the event that such applicant has been duly licensed prior to Aug. 1, 1901, and has practiced medicine and surgery in another state or territory, or the District of Columbia, for a period of time commencing prior to the first day of August, 1901. Such application shall be verified and shall contain a statement showing: (a) the full name of the applicant; (b) all institutions at which he has studied and the period of such study, and all institutions from which he has graduated; (c) a statement of whatever certificate or certificates to practice medicine and surgery may have been issued to him, together with the date of such certificate and a description of the same, and, if required by the board, the certificates themselves, or satisfactory proof of their issuance; (d) a statement of all places in which said applicant has practiced medicine and surgery; (e) such other general information as to his past practice as may be required by the said board. The said board shall make such independent investigation of the character, ability and standing of the applicant as it may deem proper and necessary, and if it shall find after such investigation that said applicant has been a practicing physician and surgeon in any other state or territory, or the District of Columbia, prior to Aug. 1, 1901, and prior to said last named date has been duly licensed so to practice, and that his reputation as such physician and surgeon is good in the community in which he has so practiced medicine and surgery, and has been a resident of his last state of residence for a period of one year prior to date of filing his application in the state of California, they shall afford him an examination on a day suiting the convenience of the board not more than six (6) months subsequent to the presentation of said application. Said examination shall be oral, practical, and clinical in nature, and full consideration shal be given to the duration and character of the applicant's practice. If after such last-mentioned examination it is determined by a majority vote of the said medical examiners conducting said examination, that such applicant is so qualified to practice medicine and surgery within the state of California, and that his reputation and standing in the community in which he has previously practiced is good, the said applicant shall be entitled to receive a "physician and surgeon certificate." Each applicant on making such application shall pay to the secretary of the board, a fee of one hundred dollars ($100), which shall be paid to the treasurer of the board, of which sum ninety dollars ($90) shall be returned to him should he not receive a certificate hereunder. All certificates issued pursuant to this section shall be marked across the face thereof "reciprocity certificate." Any person granted a "reciprocity certificate" to practice any system or mode for treating the sick or afflicted recognized by this or any preceding medical practice act in this state, such certificates not being of equal scope with the certificate known and designated as the "physician and surgeon certificate," will not be eligible for the "physician and surgeon certificate" as designated in this Act without a full and complete compliance with the terms and provisions of Sections 9, 10 and 11 hereof.

Sec. 14. SUSPENSION OR REVOCATION OF LICENSE: Said board must refuse a certificate to any applicant guilty of unprofessional conduct. On the filing with the secretary of a sworn complaint, charging the applicant with having been guilty of unprofessional conduct, the secretary must forthwith issue a citation, under the seal of the board, and make the same returnable at the next regular session of said board, occurring at least thirty days next after filing the complaint. Such citation shall notify the applicant when and where the charges of said unprofessional conduct will be heard, and that the applicant shall file his written answer, under oath, within twenty days next after the service on him of said citation, or that default will be taken against him and his application for a certificate refused. The attendance of witnesses at such hearing may be compelled by subpoenas issued by the secretary of the board under its seal. Said citation and said subpoenas shall be served in accordance with the statutes of this state then in force as to the service of citations and subpoenas generally, and all the provisions of the statutes of this state then in force relating to subpoenas and to citations are hereby made applicable to the subpoenas and citations provided for herein. Upon the secretary's certifying to the fact of refusal of any person to obey a subpoena or citation to the superior court of the county in which the service was had, said court shall thereupon proceed to hear said matter in accordance with the statutes of this state then in force as to contempts for disobedience of process of the court, and should said court find that the subpoena or citation has been legally served, and that the party so served has wilfully disobeyed the same, it shall proceed to impose such penalty as provided in cases of contempt of court. In all cases of alleged unprofessional conduct arising under this Act, depositions of witnesses may be taken, the same as in civil cases, and all the provisions of the statutes of this state then in force as to the taking of depositions are hereby made applicable to the taking of depositions under this Act. If the applicant shall fail to file with the secretary of said board his answer, under oath, within twenty days after service on him of said citation, or within such further time as the board may allow, and the charges on their face shall be deemed sufficient by the board, and issue be joined thereon by answer, the board shall proceed to determine the matter, and to that end shall hear such proper evidence as may be adduced before it; and if it appear to the satisfaction of the board that the applicant is guilty as charged, no certificate shall be issued to him. Whenever any holder of a certificate herein provided for is guilty of unprofessional conduct, as the same is defined in this Act, and the said unprofessional conduct has been brought to the attention of the board granting said certificate, in the manner hereinafter provided, or whenever a certificate has been procured by fraud or misrepresentation, or issued by mistake, or the person holding such certificate is found to be practicing contrary to the provisions thereof and of this Act, it shall be the duty of said board either to suspend the right of the holder of said certificate to practice for a period not exceeding one year, or in its discretion to revoke his certificate. In the event of such suspension, the holder of such certificate shall not be entitled to practice thereunder during the term of suspension; but upon the expiration of the term of said suspension, he shall be reinstated by the board and shall be entitled to resume his practice, unless it shall be established to the satisfaction of the board that said person so suspended from practice, has, during the term of such suspension, practiced in the state of California, in which event the board shall revoke the certificate of such person. No such suspension or revocation shall be made unless such holder is cited to appear and the same proceedings are had as hereinbefore provided in this section in case of refusal to issue certificates. Said secretary in all cases of suspension or revocation shall enter on his register the fact of such suspension or revocation, as the case may be, and shall certify the fact of such suspension or revocation under the seal of the board, to the county clerk of the counties in which the certificates of the person whose certificate has been revoked is recorded; and said clerk must thereupon write upon the margin or across the face of his register of the certificate of such person, the following: "The holder of this certificate was on the ——— day of ——— suspended for ———," or, "This certificate was revoked on the ——— day of ———," as the case may be, giving the day, month and year of such revocation, or length of suspension, as the case may be, in accordance with said certification to him by said secretary. The record of such suspension or revocation so made by said county clerk shall be prima facie evidence of the fact thereof, and of the regularity of all the proceedings of said board in the matter of said suspension or revocation. The words "unprofessional conduct," as used in this Act, are hereby declared to mean:

First. The procuring or aiding or abetting or attempting or agreeing or offering to procure a criminal abortion.

Second. The wilfully betraying of a professional secret.

Third. All advertising of medical business which is intended or has a tendency to deceive the public or impose upon credulous or ignorant persons, and so be harmful or injurious to public morals or safety.

Fourth. All advertising of any medicine or of any means whereby the monthly periods of women can be regulated or the menses reestablished if suppressed.

Fifth. Conviction of any offense involving moral turpitude, in which case the record of such conviction shall be conclusive evidence.

Sixth. Habitual intemperance or excessive use of cocaine, opium, morphine, codeine, heroin, alpha eucaine, beta eucaine, novocaine or chloral hydrate or any of the salts, derivatives or compounds of the foregoing substances or the prescribing, selling, furnishing, giving away or offering to prescribe, sell, furnish, or give away such substances to an habitué who is not under the direct personal and continuous treatment and care of the physician for the cure of the above mentioned drugs.

Seventh. The personation of another licensed practitioner or permitting or allowing another person to use his certificate in the practice of any system or mode of treating the sick or afflicted.

Eighth. The use, by the holder of any certificate, in any sign or advertisement in connection with his said practice, or in any advertisement or announcement of his practice, of any fictitious name or any name other than his own.

Ninth. The use, by the holder of a "drugless practitioner certificate," of drugs or what are known as medicinal preparations, in or upon any human being, or the severing or penetrating by the holder of said "drugless practitioner certificate" of the tissues of any human being in the treatment of any disease, injury, deformity, or other physical or mental condition of such human being, except the severing of the umbilical cord.

Tenth. Advertising, announcing or stating, directly, indirectly, or in substance, by any sign, card, newspaper advertisement, or other written or printed sign or advertisement, that the holder of such certificate, or any other person, company, or association by which he is employed or in whose service he is, will cure or attempt to cure, or will treat, any venereal disease, or will cure or attempt to cure or treat any person or persons for any sexual disease, for lost manhood, sexual weakness, or sexual disorder or any disease of the sexual organs; or being employed by, or being in the service of, any person, firm, association, or corporation so advertising, announcing, or stating.

Eleventh. The use by the holder of any certificate of any letter, letters, word, words or term or terms used either as prefix or affix or suffix indicating that such certificate holder is entitled to practice a system or mode of treating the sick or afflicted for which he was not licensed in the state of California.

Twelfth. The employment of "cappers" or "steerers" in procuring practice for a

practitioner for a system or mode of treating the sick or afflicted provided for in this Act.

Thirteenth. The certificate issued herein for the practice of midwifery may be revoked when it appears to the satisfaction of the board that in any case or cases that the licentiate may have treated, that due caution and circumspection was not used or that the holder of said certificate in its treatment of any case or cases had not used proper aseptic and antiseptic precautions.

Fourteenth. The certificate to practice midwifery herein may be revoked upon conviction for the violation of any health statute, order or ordinance or for the neglect or refusal to comply with the health rules and regulations of any state, county, city and county, city or township.

Fifteenth. The certificate issued herein for the practice of midwifery may be revoked for the treatment by any midwife in any case of labor in which case there is a complicated vertex presentation in which said licentiate did not call or attempt to call a licentiate licensed to practice a system including the practice of obstetrics under this Act or any preceding medical practice act in this state.

Sixteenth. The certificate issued herein for the practice of midwifery may be revoked for a failure to refer to a licentiate under this Act or any preceding act in the state of California licensed to practice a system including obstetrics, a case which during pregnancy has, or develops any of the following conditions: a contracted pelvis or other deformity that will interfere with labor; bleeding from the uterus; swelling of the face and hands; excessive vomiting; persistent headache; dimness of vision; convulsions; or for failure to call or summons a physician if any of the following conditions exist or develop at the beginning of or during labor: complicated presentation of a vertex (head); convulsions; excessive bleeding; prolapse of the cord; a swelling or tumor that obstructs the birth of the child; signs of exhaustion or collapse; unduly prolonged labor; or the failure to refer to a licentiate in this Act or any preceding act in the state of California licensed to practice a system including obstetrics, a case which during the lying-in period develops the following conditions: convulsions; excessive bleeding; foul smelling discharge (lochia); persistent rise of temperature to 101 degrees Fahrenheit for twenty-four hours; swelling and redness of the breasts; severe chill (rigor) with rise of temperature; inability to nurse the child; or for a failure to refer to a licentiate under this Act or any preceding act in the state of Californa licensed to practice a system including obstetrics or malformations or injuries; inability to suckle or nurse; inflammation around or discharge from the navel; swelling and redness of the eyelids with a discharge of pus from the eyes (opthalmia neonatorum); bleeding from the mouth, navel or bowels; inability to urinate.

Seventeenth. The certificate issued herein for the practice of midwifery may be revoked for the treatment by the said midwife licentiate known as the introduction of the hand into the vagina or uterus to remove placenta or membranes.

Eighteenth. The certificate issued herein for the practice of midwifery may be revoked for the failure to have the following equipment (in each case): nail brush; woolen or bone nail cleaner; jar of green or soft castile soap; rubber gloves; tube of sterile vaseline; clinical thermometer; agate or glass douche reservoir; two rounded vaginal douche nozzles; two rectal nozzles, large and small; one soft rubber catheter; blunt scissors for cutting cord; either lysol, carbolic acid or bichloride of mercury tablets; boric acid powder; 1 per cent. solution of nitrate of silver; medicine dropper; narrow tape or soft twine for tying cord; absorbent cotton (preferably in one-quarter pound packages); no other instruments are to be used, owned or possessed by a midwife.

Sec. 15. RECORDING OF CERTIFICATES: Every person holding a certificate under the laws of this state authorizing him to practice any system or mode of treating the sick or afflicted in this state must have it recorded in the office of the county clerk of the county or counties in which the holder of said certificate is practicing his profession, and the facts of such recordation shall be endorsed on the certificate by the county clerk recording the same. Any person holding a certificate as aforesaid, who shall practice or attempt to practice any system or mode of treating the sick or afflicted in this state without having first filed his certificate with the county clerk, as herein provided, shall be deemed guilty of a misdemeanor and shall be punished as hereinafter designated in this Act.

Sec. 16. COUNTY REGISTRATION: The county clerk shall keep in a book provided for the purpose a complete list of the certificates recorded by him, with the date of the record; and said book shall be open to public inspection during his office hours.

Sec. 17. PENALTIES: Any person who shall practice or attempt to practice, or who advertises or holds himself out as practicing, any system or mode of treating the sick or afflicted in this state, or who shall diagnose, treat, operate for, or prescribe for, any disease, injury, deformity, or other mental or physical condition of any person, without having at the time of so doing a valid unrevoked certificate as provided in this Act, or who shall in any sign or in any advertisement use the word "doctor," the letters or prefix "Dr.," the letters "M.D.," or any other term or letters indicating or implying that he is a doctor, physician, surgeon or practitioner under the terms of this or any other Act, or that he is entitled to practice hereunder or any other act, without having at the time of so doing a valid unrevoked certificate as provided in this Act, shall be guilty of a misdemeanor and upon conviction thereof shall be punished as designated in this Act.

Sec. 18. BARTER OF DIPLOMAS OR CERTIFICATES: Any person, or any member of any firm, or official of any company, association, organization or corporation shall be guilty of a misdemeanor and upon conviction thereof shall be punishable as designated in this Act, who, individually or in his official capacity, shall himself sell or barter, or offer to sell or barter, any certificate authorized to be granted hereunder, or any diploma, affidavit, transcript, certificate or any other evidence required in this Act for use in connection with the granting of certificates or diplomas, or who shall purchase or procure the same either directly or indirectly with the intent that the same shall be fraudulently used, or who shall with fraudulent intent alter any diploma, certificate, transcript, affidavit, or any other evidence to be used in obtaining a diploma or certificate required hereunder or who shall use or attempt to use fraudulently any certificate, transcript, affidavit, or diploma, whether the same be genuine or false, or who shall practice or attempt to practice any system or treatment of the sick or afflicted, under a false or assumed name, or any name other than that prescribed by the Board of Medical Examiners of the state of California on its certificate issued to such person authorizing him to administer such treatment, or who shall assume any degree or title not conferred upon him in the manner and by the authority recognized in this act, with intent to represent falsely that he has received such degree or title, or who shall wilfully make any false statement on any application for examination, license or registration under this Act, or who shall engage in the treatment of the sick or afflicted without causing to be displayed in a conspicuous manner and in a conspicuous place in his office the name of each and every person who is associated with or employed by him in the practice of medicine and surgery or other treatment of the sick or afflicted, or who shall, within ten days after demand made by the secretary of the board, fail to furnish to said board the name and address of all such persons associated with or employed by him or by any company or association with which he is or has been connected at any time within sixty days prior to said notice, together with a sworn statement showing under and by what license or authority said person or persons, or said employee or employees, is or are, or has or have been practicing medicine or surgery, or any other system of treatment of the sick or afflicted. It shall be the duty of any person or persons upon whom the Board of Medical Examiners may make a demand for the name or names and address or addresses of a person or persons associated or employed by him or them to make affidavit that there are no such person or persons associated or employed by him or them, if such be the fact; provided, that such affidavit shall not be used as evidence against said person or employee in any proceedings under this action.

Sec. 19. FRAUDULENT USE OF CERTIFICATE: Every person filing for record, or attempting to file for record, the certificate issued to another, falsely claiming himself to be the person named in or entitled to, such certificate, shall be guilty of a felony, and, upon conviction thereof, shall be subject to such penalties as are provided by the laws of this state for the crime of forgery.

Sec. 20. FRAUD: Any person not a member of the State Board of Medical Examiners who shall sign, or issue or cause to be signed or issued, any certificate authorized by this Act, shall be guilty of a misdemeanor, and shall be punished by a fine of not less than one hundred dollars ($100) nor more than six hundred dollars ($600) or by imprisonment for a term not less than sixty (60) days nor more than one hundred and eighty (180) days, or by both such fine and imprisonment.

Sec. 21. PRIOR CERTIFICATES: Nothing in this Act shall be construed to prohibit the practice by any person holding an unrevoked certificate heretofore issued under or validated by any medical practice act of this state, but all such certificates may be revoked for unprofessional conduct in the same manner and upon the same grounds as if they had been issued under this Act.

Sec. 22. EXEMPTION: Nothing in this Act shall be construed to prohibit service in the case of emergency, or the domestic administration of family remedies; nor shall this Act apply to any commissioned medical officer in the United States Army, Navy or Public Health Service, in the discharge of his official duties; nor to any licensed dentist when engaged exclusively in the practice of dentistry. Nor shall this Act apply to any practitioner from another state or territory, when in actual consultation with a licensed practitioner of this state, if such practitioner is, at the time of such consultation, a licensed practitioner in the state or territory in which he resides; provided, that such practitioner shall not open an office or appoint a place to meet patients or receive calls within the limits of this state. Nor shall this Act be construed so as to discriminate against any particular school of medicine or surgery, or any other treatment, nor to regulate, prohibit or to apply to any kind of treatment by prayer, nor to interfere in any way with the practice of religion. Nothing in this act shall be construed to prevent a student regularly matriculated in any legally chartered school or schools approved by the board from treating without compensation to such student the sick or afflicted as a part of his course of study.

Sec. 23. OTHER ACTS REPEALED: An act entitled "An act for the regulation of the practice of medicine and surgery, osteopathy, and other systems or modes of treating the sick or afflicted, in the state of California, and for the appointment of a Board of Medical Examiners in the matter of said regulation," approved March 14, 1907, as amended by a certain act approved March 19, 1909, as amended by a certain act approved May 1, 1911, is hereby repealed, and also all other acts and parts of acts in conflict with this Act are hereby repealed.

Sec. 24. This act when referred to, cited or amended may be designated as the state

medical practice act, and for a violation of any provision of this Act, the said violator shall be guilty of a misdemeanor, unless otherwise specifically provided in this Act, and shall be punished by a fine of not less than one hundred dollars (100) nor more than six hundred dollars ($600) or by imprisonment for a term of not less than sixty days nor more than one hundred and eighty days or by both such fine and imprisonment. The fines or forfeitures of bail in any case wherein any person is charged with a violation of the provisions of this Act shall be paid upon the collection by the proper officer of the court seventy-five per cent. thereof to the state treasurer to be deposited to the credit of the contingent fund of the Board of Medical Examiners and such payment to said treasurer shall be made without placing such fine or forfeiture of bail in any special or contingent or general fund of any county, city and county, city or township. The balance of twenty-five perecent. of such fines or forfeitures of bail shall be paid to the county wherein the case is pending.

Approved April 27, 1917.
Effective July 27, 1917.
